

Cougars, Vandals Prepare for Tilt

Annual Battle in Palouse Hills Saturday; WSC Sharpens Attack

PULLMAN, Wash., Oct. 31.—(AP)—Impressed by their own lack of scoring punch last week when Oregon's outplayed Webfoots held them to a 6-all tie, Washington State's Cougars are pointing for the University of Idaho football game Saturday as if it was the season's payoff tussle.

Defense and offense got equal attention tonight as Coach Babe Hollingbery sent his squad through a last heavy scrimmage session. The coach continued to experiment with end combinations, but indicated Sophomore Nick Snosoff would retain the starting wing job he won last week.

The fullback call seemed a toss-up between Dick Renfro and Ford Sexton, and the center job an equally close race between Marie Stone and Francis Rish.

Bank Eyes Idaho
MOSCOW, Idaho, Oct. 31.—(AP)—Backfield regulars continued to hold tight to their varsity spots as the University of Idaho began tapering its preparations today for the Saturday football game against Washington State college, but several usual starters in the line were in danger of missing the call.

Tony Aschenbrenner threatened to edge Tom Solntzky out of the center berth and Chad Anderson and Sophomore Ed Kelper were pushing Paul Ryan and Veto Berlius for the wing jobs. Brothers Joe and Bill Piedmont still seemed the best bets for the tackle assignments, although Coach Ted Bank declined to name his probable starting line.

Harmon Outpaces Reagan in Michigan Win

Tom Harmon, the University of Michigan's brilliant halfback, is shown above as he raced to Michigan's first touchdown in the Wolverines' 14-0 triumph over the University of Pennsylvania. Racing behind Harmon in a valiant effort to catch the Michigan star is Francis Reagan (No. 28), Pennsylvania's famous halfback.

Haile Selassie to Head Force Again

NEW YORK, Oct. 31.—(AP)—Ethiopian chieftans who never have ceased to struggle against Italy in the four years since the fascist conquest of their homeland, have slipped across the border to re-assert allegiance to the emperor Haile Selassie, the British Broadcasting company reported tonight in a broadcast heard by CBS.

Richard Dimbleby, BBC observer, interviewed the black-bearded, little conquering lion of Judah and quoted him as saying the unending struggle against Italy would flare to greater intensity once he rejoined his own people.

He has been in the middle east for some time since leaving his quiet exile in Bath, England.

SAN DIEGO, Calif., Oct. 31.—(AP)—Jack Knight, an air line official and veteran pilot, said today that the Bell Aircraft, one of the army's new fighting planes, attained a speed of 520 miles during a recent test flight.

Knight, speaking at a club luncheon, said he was informed of the accomplishment by the pilot who tested the craft, and also related that the ship, during a 30 degree power dive indicated a speed of more than 750 miles an hour.

Relating other advances in aircraft, Knight said Lockheed's new interceptor in a recent test flight climbed 4000 feet in one minute, a speed of more than a mile a minute.

Dictators Seen as "Fly-by-Nighters"

CORVALLIS, Oct. 31.—(AP)—History reflects the present European dictators as "fly-by-night empire builders," Quirinus Breen, University of Oregon history lecturer, told the Phi Kappa Phi honorary society at Oregon State college today.

The "sullen hate" which followed fascist and Nazi conquests cannot support an empire, he predicted.

Whitman Set for Linfield Battle

WHITMAN COLLEGE, Walla Walla, Oct. 31.—(Special)—Whitman and Linfield are both teams fighting to keep out of the Northwest conference cellar. Whitman and Linfield battle it out on the McMinnville gridiron Friday night.

The Missionaries, who lost to College of Puget Sound and Pacific in their first two conference struggles, have been working this week to overcome line weaknesses and should put up a stout effort to break into the loop win column. Whitman has beaten the Wildcats the past two years in a row, winning here last fall, 15-13.

Molalla Gridders Eye Sandy Clash
