The Republic Steel board announced regular quarterly dividends of \$1.50 on its two preferred-stocks which rose 1 % and 3 points, respectively. The common finished 1/8 higher.

U. S. Steel was unchanged Bethlehem down 1/6 and Youngstown Sheet up 1/2. On the offside were Montgomery Ward, Sears Roebuck, Du Pont, Johns-Manville, Anaconda, Kennecott, Douglas Aircraft, Eastern Air Lines, and N. Y. Central.

Among Gainers were Certainteed and International Paper preferreds, Texas Corp., Standard Oil of N. J., General Motors, Chrysler, U. S. Rubber, Great Northern, American Telephone and General

## By Quinn Hall Wheat Gain Small After Uncertainty

CHICAGO, Nov. 19-(AP)-Wheat futures ended the day with slight gains after fluctuating uncertainly over a range of about a cent a

bushel today. The bread cereal started lower, influenced by declining securities markets and soybean quotations. The leader dropped as much as 3% cents.

Final prices for wheat were unchanged to 1/4 cent higher than the previous close, December 89-88%, May 88%-%.

The wheat market undertone was nervous. After a lower start, wheat rallied 1/2 to 1/4 cents at times, only to back down partially under the weight of selling. Trade was generally light. The May contract advanced from 87% to 88% cents at times but failed to retain much of the gain at the close.
