State Convention Date Set for June at St. Paul; \$5 Voted Fund

MT. ANGEL-The Catholic Order of Women Foresters met at the home of Mrs. Leonard Fisher Thursday night for the regular business session and Christmas party which is held every year for the juvenile members of the organization.

It was announced that the state convention of the Women Foresters would be held at St. Paul, next June, the occasion also marked the 25th jubilee of the founding of the organization

The group voted to donate \$5 towards the hot lunches for needy school children which is being sponsored by various civil and church societies of the parish. After the business was dis-

pensed with, 500 was played at five tables. High score honors went to Mrs. Cecilia Skonetzni and the draw prize to Mrs. Agnes Mayerhofer.

The Christmas party followed.

A brightly decorated Christmas tree held the center of attraction. The regular members exchanged small gifts and each of the juveniles was presented with a gift and a bag of candy and nuts. A colorful Christmas luncheon

was served to all by the hostess.

assisted by Mrs. Joseph Wavra.

Holly Harvest in Full Swing at Ranch Near Monmouth; 48 States, Canada and Mexico Included in Holiday Shipments

MONMOUTH-In December when most farmers-except dairymen and turkey growers-are having a slack work at the home of Mrs. J. D. Woodseason, Mr. and Mrs. Jack Stump of Monmouth are rushing fin Friday with a good attendwith their annual holly crop harvest. Holly and yuletide seem to have been inseparable for many centuries, and the demand led by Mrs. Brown who read for this Christmas greenery comes from all over the nation scriptures in reference to chilto the Stump farm.

Stump grown holly is shipped Last year's final order went on thousands of miles every year. its way January 6. Two helpers are employed doing office work and eight more for cutting and packing. The trees were five-year-old stock when set out in 1929 by the late John TURNER-Mr. and Mrs. Walt- B. Stump, pioneer Willamette valcial venture. The trees are now 14 feet tall. It is the English vari-

leaves. The first commercial yield was gathered in 1936. Since then, advertisements placed in national magazines have brought orders which keep the Stumps busy with shipments for weeks before Christmas. This year's first shipment was made November 15.

2000 small gift boxes of one and three pounds each." There is no rotation of bearing trees from year to year. Each Ida Brennen. tree yields, annually, but is never pruned too closely. The sprays er pruned too closely. The sprays are cut by experienced men who Leader Elected and orders are still being filled. have been employed by the Stumps for several seasons. No MANAGER CRESCRETCH CRESCRETCH COMPANIES spray is permitted to touch the earth lest it become soiled. In rainy weather it is dried carefully Smart to Own! Smart to Give! before being packed. Cold dry

weather, such as prevailed last week, is fine for holly harvesting. The Stump holly is planted on rooms. A 7 o'clock dinner was well drained, slightly rolling land, served to 50 members and guests. but is not irrigated. Cultivation Hostesses were Mrs. M. B. Laycrops, and manure is used for fertilizer. The trees are sprayed and inspected carefully to prevent insect or other encroachment.
