Report Road Inundated—Recent heavy rains caused water to overflow on a side road between Turner and Amaville, County Engineer N. C. Hubbs and Commissioner J. E. Smith have reported following an inspection trip into that part of Marion county. In the place referred to, they said, water had formed a considerable area into a culvert which is too small to accommodate it during heavy rains. Installation of a larger culvert is planned by the court.

Criminal Cases Are Continued

Youths Charged With Larceny Have Extra Time to Plead

Five criminal cases were continued for various reasons yesterday by Circuit Judge L. H. McMahan when defendants were arraigned before him.

Westly Early and Jack Atkins, youths charged with larceny of prune drier equipment belonging to the state land board, were allowed to wait until January 4 to enter their pleas pending further investigation of the circumstances surrounding the alleged theft by deputies of Sheriff A. C. Burk.

The youths have claimed that parts of drier stoves which they picked up as old metal was lying outside the drier at the time it was found. The implication was that other persons had broken into the drier building and stolen other stoves. Charles J. Zerzan, attorney for the young men, indicated that they would plead guilty to charges of larceny but not to grand larceny as named in the original complaint.

Steen Justice, alias Steena Frederickson, was granted further time in which to enter plea on two forgery charges, as was J. C. McClain, upon a charge of threatening to commit a felony. McClain was given to January 4 to decide on his plea.

Eugene Kemmler, continued for sentence on a check charge last September, was continued again yesterday. The matter of Ralph E. Rose, charged with the same offense, was also continued after a plea of guilty had been entered.

George Meyer pleaded not guilty to an old charge of drunken driving on appeal from Woodburn court, and the matter was continued for trial.

Circuit Court—Anna Ruef vs. G. W. Derr; application to set for trial. Fred E. Roberts vs. E. Beatrice Bollier; decree of Circuit Judge L. G. Lewellyn states that plaintiff's suit shall be dismissed, that a purported mechanic's and materialman's lien against defendant Bollier's property be set aside; that defendant Bollier's real property be released from plaintiff's lien; that defendant Korb recover \$138.55 on the only valid lien against the property; that defendant Bollier recover from plaintiff sum equal to that due Korb; that all cross suits and cross complaints be dismissed except that of defendant Korb; that defendant Allen recover \$267.88 from plaintiff services; that Parnell recover \$113.28 from plaintiff and that Salem Manufacturing company recover nothing. The case originally resulted from a number of liens on a dwelling belonging to defendant Bollier.

Justice Court—Byron E. Hollingsworth, no rear light on motor vehicle, fined \$1. A. F. Belton, failure to stop and give name and address after an accident, posted \$25 bail pending appearance Monday.

Marriage Licenses—Harry J. Frederick, 22, jeweler, 1705 South Commercial street, and Mildred Jane Bender, legal stenographer, Portland. Kenneth P. Kehoe, 23, laborer, and Mary Leona Hoffer, 22, clerk, both Mt. Angel. James Kress Anderson, 21, student, 1499 State street, and Margaret May Taylor, 22, stenographer, 160 North 17th street, both Salem.

Parents Warned—Several Salem parents have been warned by local police not to allow their young daughters to loiter in Marion square after curfew hours. Complaint was made that the girls were staying in the square with CCC boys. Police said the parents will be notified if further infractions are reported.

Party Enjoyed—Annual Christmas party given by the Band Parents association for members of the Junior band was Friday night. During the program two American flags were given to the band by Stevens-Brown and the Central Labor council.

Two Salem Youths Questioned, Theft

Two Salem youths will be questioned in juvenile court on 10 a. m. Monday in connection with thefts of candy, cigarettes, firearms accessories and clothing, city police reported yesterday.

One of the youths, aged 16, was taken into custody when officers received a report that a telescope sight for a light rifle had been left with a local gunsmith under suspicious circumstances. Investigation indicated, a police report said, that the sight was taken from the Montgomery Ward store here, as may also have been a shirt.

Applications Are Behind, Licenses

The number of applications for 1941 automobile license plates is approximately \$60 behind the number received up to this time for 1940, Secretary of State Earl Snell declared yesterday.

Snell said 86,000 sets of 1941 plates have gone out so far this year as against 91,000 sets of plates on the corresponding date a year ago.

"Those wishing to receive their plates promptly should send in their applications immediately," Snell said.

Warns of Solicitor Feigning Deafness

Thomas Ulmer, president of the Oregon Association of the Deaf, yesterday issued a statement warning Salem residents of an impostor, pretending deafness, whom Ulmer said is known to be soliciting funds in Salem and vicinity.

"The Oregon Association of the Deaf wants it known that the deaf of Oregon do not beg and do not go around to houses soliciting funds for any purpose whatever," President Ulmer said.

McKay Back From Dealers' Meeting

Reports No Prospect of Curtailed Production of Autos Soon

State Senator Douglas McKay, of the Douglas McKay Chevrolet company, returned yesterday from Detroit, where he spent two days, December 16 and 17, attending the meetings of the Chevrolet National Dealer Advertising council.

He was one of 107 leading Chevrolet dealers of the United States whom W. E. Holler, Chevrolet general sales manager, invited to meet with central office executives to discuss advertising and sales plans for 1941. Principal speakers were A. P. Sloan, Jr., chairman of the board of General Motors and general manager of Chevrolet; Mr. Holler, C. P. Fiskien, Chevrolet advertising manager, and R. H. Crooker, executive vice president of the Campbell-Ewald company, Chevrolet advertising agency.

Plans for the coming year, it was announced, include continued emphasis upon newspaper advertising, consistent use of which has been given a large share of the credit for Chevrolet's long-standing leadership in sales.

McKay reported in a story "abundant" in the east, spurred by tense contracts. No immediate curtailment of auto production, "the question everybody wanted answered," is looked for, he said.

Combining of Jobs Will Be Proposed

Combining the duties of the assistant state public utilities commissioner and private secretary of the commission in one official whose monthly salary shall not exceed \$275 a month, will be proposed at the 1941 legislature, it was reported here Saturday.

The position of assistant public utilities commissioner is now held by Franklin Davis, Portland, who receives \$400 a month. Ralph Mitchell, also of Portland, is serving as secretary of the commission at a monthly salary of \$250.

The office of secretary of the commission was created by statute while the position of assistant commissioner was created by State Utilities Commissioner Ormond R. Bean.

Sponsors of the proposed legislation said their proposal would save the state approximately \$5000 annually.

Many Participate In Y Activities

Several hundred boys and girls have participated in the first few days of the Salem YMCA's Christmas vacation open house, according to Fred Smith, boys work director.

Physical activities and educational trips are foremost on the program. Gym classes, basketball, swimming, boxing, wrestling and lobby games are included.

The trips will be to local industrial and state institutions next Thursday, Friday and Monday.

Smith, in volunteering information on Y membership, said, "Listed among the finest Christmas presents for boys and young men is the highly-prized membership to the local YMCA."

Reports of Committee To Be Ready for Some

A thousand copies of the majority and minority reports of the interim committee to study the industrial accident commission laws will be available for distribution January 1, Commissioner L. O. Arens announced yesterday. Copies will be given to employers, labor organizations and others interested.

Little Stories about GREAT HYMNS

"JOY TO THE WORLD"
Rev. Isaac Watts

"Joy to the world! The Lord is come!
Let earth receive her King!
Let ev'ry heart prepare Him room
And heav'n and nature sing."

"The Rev. Isaac Watts wrote this hymn as a translation of the last five verses of Psalm 96. As such it appeared in his 'Psalms of David Imitated in the Language of the New Testament,' in 1719. The tune, 'Anchoch,' is an arrangement taken from Handel's oratorio, 'The Messiah.'"
