A number of officers from Fort Lewis, Fort Stevens, Camp Clatsop and Vancouver Barracks are expected to be in attendance at the ball.

TENDER, TOO—Tender smoked country sausage in this generous size link is a dinner meat of distinction. Pan fry it slowly to retain all the savory juices. The apple slices are fried in the sausage drippings too. Broccoli, green beans, or Brussels sprouts "go well" with this combination. Smoked sausage is an old-time favorite because of its extra full flavor and mouth-watering aroma when pan fried. Now it's available with the skin made extra tender with fresh pineapple juice.

Coffee Carnival

1 1/4 cups water
3/4 cup quick-cooking tapioca
1/2 cup sugar
1/4 teaspoon salt
1 cup seedless raisins
1 teaspoon vanilla
1 cup cream, whipped

Place water in top of double boiler and bring to a boil over direct heat. Combine tapioca, sugar, salt, water and raisins in saucepan and mix well. Bring mixture to a full boil, over direct heat, stirring constantly. Remove from fire. (Mixture will be thin. Do not over-cook.) Add coffee and vanilla. Chill; fold in cream. Serve in sherbet or parfait glasses. Serves 6 to 8.

Cheminle and candlewick spreads are more popular than ever, and parties are threatening the predominance of the ubiquitous. Two-tone effects vie for interest with sculptured effects produced by a clever use of high and low pile chemille. Multi-colored flowers compete with stripes and chevrons, and monograms of "Mr." and "Mrs." carry off the fashion.
