> **Annual Banquet of Realty Board to Feature Only**

Home Grown Food

A promise that "everything but the coffee" served at the Salem Realty board's annual banquet would be an Oregon product, was voiced at the board's Fridsy luncheon by Leo N. Childs, gen-eral chairman, and William Mo-Gilchrist, fr., in charge of obtain-

ing the "champion" Oregon products for the menu. The banquet is scheduled for Monday night at the Marion hotel and all members of the legislature have been invited, as well as real

estate brokers in many Willamette valley communities, whether realty board members or not.

Sen. Dorothy McCullough Les, speaking at the ladies' day luncheon of the realty board, called at-tention to the "freeways" bill as one likely to affect real estate values and therefore of interest to realtors. She indicated doubt of the gen-

eral impression that there is little 'dynamite" in the 1941 session, mentioning pensions, unemploy-ment compensation and congressional reapportionment as especially controversial issues, and pre-Panel Selected dicted that daily sessions within a short time will be highly in-teresting. She mentioned that a shortage of lawyers in the senate there are only seven was overburdening those few with

legal work which could not be assigned to the non-lawyers. Mrs. Winnie Pettyjohn, vice president of the board, presided.
