## Pattern

Fashion has no age limits—not when an entrancing style like Pattern 4720 is especially designed for little size two-to-ten girls! This Anne Adams pantie-frock is gay and novel as can be, yet it's so simple to cut and sew! First, notice the gathering through the front skirt, just below that unexpected point of the waist-seam—so smart! Then, see the nicely curved side bodice sections. The sleeves may be wing-like flares in crisp puffs. For a dress-up style of sheer flowered fabric, sew on a pettibow and lace edging. To make a more everyday version of cotton or rayon, use buttons and a matching or contrasting collar. If your fabric is striped, you might let the center bodice section be on the crossgrain, for striking effect. Pattern 4720 is available in children's sizes 2, 4, 6, 8 and 10. Size 6 takes 2 yards 35 inch fabric and 1/4 yard contrast.

Send FIFTEEN CENTS (15c) in coin for this Anne Adams pattern. Write plainly SIZE, NAME, ADDRESS and STYLE NUMBER. The NEW 1941 PATTERN BOOK BY ANNE ADAMS is finished! So let Mr. Mailman bring the world of fashion to your doorstep! This colorful book brims over with easy-to-stitch outfits for every age; every hour. It shows original, distinctive designs in suits, ensembles, sportswear, afternoon and evening frocks and home styles. It brings news of fabrics and accessories. A valuable book to keep at home as a ready reference, and its low cost is FIFTEEN CENTS! PATTERN, FIFTEEN CENTS. BOOK, TWENTY-FIVE CENTS. Send your order to The Oregon Statesman, Pattern department.
