Stocks Show Feeble Rally

Recovery Symptoms Seen in Steels, Dealings Slow

NEW YORK, April 10-(P)-Leading stocks put a feeble foot forward in today's early market proceedings but initial fractional rallies were reduced or cancelled in many cases at the finish.

Recovery symptoms were displayed by some steels and rails in the forenoon. Dealings were so slow, however, that followthrough power was lacking in

The Associated Press average of 60 stocks was off .1 of a point at 40.4, the smallest decline of the week. It was the sixth consecutive session in which the composite was on the losing side. Today's closing figures compared with a 1941 high of 45 and a low of 39.8. A year ago the average stood at 50.8. Transfers amounted to 357,230 shares against 584,020 yesterday.

US steel ended up 1/4 of a point as the company announced March shipments of finished products established a new peak. Bethlehem, though was off 1/4 and Youngstown sheet a full point.
