Balkan Battle Brings New Lows for Year to Steels, Motors

NEW YORK, April 12 .- (AP)-War doubts continued to bear down on the stock market Saturday and the list finished a generally discouraging week well under wa-

While many in Wall street stretched out Friday's holiday for a lengthy weekend, most of those who appeared were inclined to cut commitments pending outcome of the critical Balkan battle between the allied and German

Steels and motors touched new lows for the year, along with a number of others. Rails and oils were fairly resistant as net revenues for the carriers mounted and quotations for crude and gasoline showed further rising in--clinations. Losses ranged from fractions to a point or so for more active stocks. A handful dropped two to three.

The Associated Press average of 60 issues was off .3 of a point at 40.1 and on the week showed a recession of 2.1 points. It was the biggest week's setback for the composite since mid-February.

· Volume picked up on the retreat, transfers totaling 290,390
shares, largest two-hour turnover since Feb. 15. They compared

Oregon Banker Warns Workers Of Thrift Need

First National bank of Portland, Friday suggested "Capital and labor to save - government to Am Roll Mills 131/2 Goodrich

to the working man during expansion under the defense program, he told bankers attending the second session of the threeday Pacific northwest conference on banking.

"The old automobile, radio and household appliances should be made to do so that labor's efforts can be directed in the channels of defense productivity," he suggested.

"Funds so saved and invested in our defense securities will pay large dividends in future yearsmonetary dividends, yes, but what is far more important, divihappy life."

Speaking tonight at the annual conference banquet, Dr. William A. Irwin, national educational director of the American Bankers association, said America faces a colossal subsidy to agriculture due to the loss of markets.

He said the markets for America's surpluses were, possibly permanently lost "due to eco- Ranch Bought nomic practices of an unsound character adopted by ourselves For Hatchery plus the development of agriculture beyond our shores."
