Cotton Formals Add Gaiety to Festive Evenings

Left, frosty blue cotton print; center, cotton print frock with green grosgrain ribbon banding; right, waffle pique dress

Festive summer evenings are made gay by the many colorful cotton print dresses worn by smart women. At the left above is a dress made of frosty blue sheer cotton print dotted with bright rose-gays. Its style points are an off-shoulder effect and velvet ribbon tied shoulder straps. The bodice is elongated and the skirt swirls out into generous fullness below the hips. Ida Lupino, center, is modeling a printed cotton fabric gown in bright South American colors, brilliant orange splashed with red flowers to form the full skirt and shirred, fitted bodice; while brilliant broad green grosgrain ribbon is used to trim the bodice, slenderize the narrow waistline and band of skirt. The waffle pique, right, is printed all over with bright tropical blossoms. The corseted bodice effects the full-gathered skirt, the bodice being buttoned to the waist below a deep décolletage.
