Buddy Poppy Date Slated For Friday

Mrs. Bert Tompkins, poppy chairman of the Veterans of Foreign Wars auxiliary, Marion post No. 681, addressed a group of auxiliary members and friends Monday.

Arrangements have been completed for the sale of Buddy Poppy in Salem by Marion post No. 661 and Marion auxiliary Veterans of Foreign Wars May 23, according to Mrs. Bert Tompkins, chairman.

All Buddy Poppies distributed by VFW are made by disabled and needy ex-service men in government hospitals, Mrs. Tompkins said.

"The Veterans of Foreign Wars inaugurated this method of manufacture some years ago, with the cooperation of the United States veterans administration and the plan has proved of signal benefit to these men, especially in the occupational therapy treatment for those who are nervously or mentally affected.

Buddy poppy is the name chosen by the men themselves. Each flower carries a copyrighted green label which guarantees to the public that these poppies were fashioned by the hands of disabled veterans.

The entire proceeds of the sale are devoted to welfare and relief work for ex-service men and their families, including an allotment to our national home for widows and orphans of ex-service men," she concluded.
