

Ford Driving League State Finals July 1

Oregon state finals for contestants in the 1941 Ford Good Drivers league will be held July 1 at Portland, it was announced Wednesday from Dearborn, Mich., national headquarters of the league.

Selection of sites for state finals was revealed as thousands of boys and girls enrolled in the Good Drivers league throughout the nation hurried to complete the required written tests and road tests on automobile safety.

In a last-minute warning to enrollees, league officials said that these tests must be completed and results mailed to the league national headquarters at Dearborn before midnight, June 2. Entries postmarked later than midnight, June 2 will not be eligible for the state contests.

Boys and girls competing in the good driving contests are shooting at high stakes. Winners in the national contest will be awarded 98 university scholarships amounting to a total of \$28,000 by Edsel Ford, president of the league.

From the results of tests submitted by each league member, judges will select 12 leading girl contestants and 12 leading boy contestants in each state and the District of Columbia to compete in state finals. Separate contests are held for boys and girls.

The boy and girl champions from each of the 48 states and the District of Columbia, together with sponsors of their own choice, will receive free trips to Dearborn in August for the national finals.

A \$5000 university scholarship will be awarded in national competition to the best girl driver and another \$5000 scholarship to the best boy driver. Ninety-six other scholarships will go to finalists. Runners-up in both the boy and girl divisions each will receive \$2000 scholarships.
