

Advance Best In 6 Months

Stocks Slip Saturday but Net Gain of Week Is Point

NEW YORK, June 14 (AP)—Despite a slight letdown today, the stock market on the week scored its best net advance since last September.

The list exhibited the usual Saturday hesitancy and, while there were scattered strong issues, light selling lapping over from Friday put most leaders down fractions to a point.

The Associated Press average of 60 stocks turned in a loss of .1 of a point at 41.4 in the two-hour session but for the week retained a net advance of one full point. Except for slight declines on June 6, yesterday and today, the composite had been on the upside since the start of the month.

Offerings were relatively small throughout the short proceedings and transfers totaled 193,620 shares compared with 183,930 a week ago.

In the face of the lower market trend, there were a number of new highs for 1941 registered. Among these were Atlantic Gulf & West Indies preferred and common, respectively, which jumped 4 and 2 1/2 points, respectively. Others were Standard Oil (N.J.) and Armour preferred.

Reunion Is Today
