

Car and Bike In Collision

Aumsville Boys Suffer Shock and Bruises In Recent Accident

AUMSVILLE—Walter Rowland and Elroy Howard had a narrow escape from serious injury Sunday when they were both riding

Elroy's bicycle on the highway east of Aumsville and accidentally rode into the path of a car driven by Charles Green, Grande Ronde. Greene's car struck the bicycle knocking both boys to the pavement. Walter Rowland suffered a sprained ankle. Green took the boys to a Stayton doctor for treatment. Both are recovering from shock and bruises. School opened here Monday with Superintendent T. P. Otto in charge. Otto will teach algebra and physics. Edwina Burton, Sil-

verton, a graduate of Pacific University, will coach boys' athletics and teach social science. Elva Lovgren, Cherry Grove, will teach English and music. Elizabeth Heringer will teach science, dramatics and public speaking. Mrs. Mackenson will have charge of the commercial department and physical education for girls. J. R. Bidgood, Silverton, will be in charge of the seventh and eighth grades. Florence Johnson

the intermediates grades and Eva Corser the primary grades. Burton will make his home with the A. E. Bradley family, Miss Lovgren at an apartment in the Malone store building, Miss Anderson at the Charles Malone home, Miss Heringer at the Lester Ellis home, Mrs. Mackenson at the Claude Boone house. Mr. and Mrs. Bidgood moved into the new Gildow house Monday. Ed Wallace is visiting with reir-

lives in California. Mrs. Wallace is having the house redecorated this week. Melvin Nichols has been very ill with throat infection. Mrs. John Smith is better after several days' illness at her home, here. Mrs. Merle Jones is ill with an infected kidney. Mr. and Mrs. Eugene Richards moved this week to Woodburn, where he will teach at the Lincoln school. Last year he was a teacher at Brooks. Fred Davenport is very ill at the home of his father-in-law, Mr. Henshaw. Mrs. E. Rush of Weiser, Idaho, is here for a visit with her sister, Mrs. Lester Solman.

Slates Fall Meeting

LIBERTY—The Liberty Woman's club will hold its first meeting of the season October 2 at the home of Mrs. Gibson with Mrs. Rickman assisting.

Mattress Making Project Ends

BRUSH COLLEGE—Mattress making has been completed with 40 finished and distributed in various homes in Brush College, Orchard Heights, West Salem, Lincoln, Zena and Spring Valley. One hundred and seventy one persons registered to construct mattresses but due to the busy season in fruits, beans and hops many were unable to do so.

Twenty sewing machines were brought to the headquarters at Brush College school. In charge of the work were Mrs. John Van Santen, Assistant County Agent Gilbert Weaver and Annie Grica. School opened Monday with 20 enrolled in the upper grades and 17 in the primary grades. Miss Prula Grant and Miss Muriel Kaster are instructors of the upper and primary grades respectively.
