

Pick-ups from the Foul Line

ED DONNELLY — Bowling Editor

Better call another meeting. There's four major league bowlers under the Sundin banner in the Commercial league. With games of 922-902-999-2823, the Tailors proceeded to take all the starch out of Master bread. On the Sundin squad, Ricketts hit 587, Sundin had 580, Cherrington hit 569 and Lhamon, 562. Which is right smart shooting in anyone's league. "Stubby" Mills, the little giant of the Bakers, had another good night, with 565, as did Herb Kreech, of the Taggers, shooting a 559.

Don't forget—the ever popular Sunday night mixed-doubles start tonight at 8 p.m. So bring your gal, or someone else, and come up and have fun.

The newly re-organized Mercantile circuit showed promise of having some real good bowlers in their midst. Kirchner had a series of 577, Schwab smacked out 565 and McCune, 537.

Bowling was better in the cities top circuit. Don Poulin, who, like champagne, seems to improve with age, had a 256 game and 682 series. Bob Nuffer was close on his heels with a game of 245 and series of 628, while Verne Perry broke into the charmed circle with a total of 616. Other good series were Murdock's 584, Steinbocks 586, and Foremans 576.

The Ladies league is still finding it tough going, with no one seemingly able to break into the 800 class. Maude Poulin was a couple of pins shy with 498, Ver-

CLAUDE RICKETTS who is one of the reasons the Sears entry in the Industrial is powerhousing the other teams.

Q—If one doesn't get a game, does one lay it onto the runways? A—Yes, that and anything else you can think of. It's a grand old American custom to have an alibi for everything that goes wrong.

Q—What became of Sally Snoot? A—Don't be silly, Sally. As you had a hand in writing this, you should know where you are.

Is Mr. McCarroll, who, while sitting on the throne Wednesday night, literally walked into a lions den, when fouled Mrs. McCarroll, who had sprang all over the alley while picking up the 6-10-7. But funnier still, is that in his apparent zeal to call a foul on Kay, bowling six alleys away, Floyd overlooked Verne Perry sliding half way down to the pits, on the alley directly beside him.

Ted Williams Reaping American Sock Laurels Reiser Looms as Nat League Batting Champ

NEW YORK, Sept. 20.—(AP)—Two-gun Pete Reiser, a ring-leader of the Brooklyn Dodgers although playing his first full season in the majors, seems certain of gaining the batting championship of the National league. His current average is .335.

Virtually all opposition to his claim vanished this week when Johnny Hopp of the St. Louis Cardinals went into an astounding slump and made only four hits in seven games.

He nose-dived from second place at .325 clear out of the select society of the 10 leading hitters, and landed at .309.

Teammate Johnny Mize dropped from .323 to .317, but this still left him in a deadlock with Stan Hack of the Chicago Cubs for second place. Behind them were Joe Medwick, Brooklyn, and John Cooney, Boston, .316; Arky Vaughan, Pittsburgh, .314; Nick Etten, Philadelphia, .313; Dixie Walker, Brooklyn, and Enos Slaughter, St. Louis, .311; and Danny Litwhiler, Philadelphia, .310.

Reiser had scored the most runs, 110, made the most doubles, 39, and the most triples, 16. He also is second to Hack in total hits with 172, six less than the Chicago star.

Dolph Camilli has hit the most home runs, 33, and batted in the most runs, 113.

Elmer Riddle of Cincinnati continued to lead the pitchers with 17 victories against four defeats while Ernie White of St. Louis was second with 17 and 6.

Danny Murtagh of the Phillies stole the most bases, 18.

Fort Lewis to Get New Sport Fields, Track

FORT LEWIS—(Special) — To further aid the army in providing recreational facilities for enlisted men construction is now under way on what is to be one of the finest recreational fields in the country, according to Colonel Ralph R. Glass, post commander, at Fort Lewis.

The project calls for the construction of a field house, two rest rooms, two baseball diamonds, a football field, bleachers and considerable ground improvements, drainage and other work. The area to be improved will total close to 120,000 square yards. Twenty acres of timber and stumps will be cleared and grubbed. Sewer lines and open ditches will require approximately 94,000 cubic yards of excavation and backfill. Twelve hundred feet of 12 inch storm sewer and 800 feet of 12 inch sanitary sewer pipe will be laid to service the field houses and football field. Seven hundred feet of 4 inch cast iron pipe will be laid from the field house to supply water to the football field.

Two baseball diamonds will be constructed, one on each side of the field. In the center will be the football field and a quarter mile track. Two bleachers will be erected, one on each side of the football field, each with a seating capacity of 5,000. Seven hundred seventy-six concrete blocks will be used for footings under the two bleachers. The field house will be 160 feet long and 28 feet wide, with rustic siding and shake roof, built on concrete foundation.

Plans call for a 64 foot lobby and concession room in the center and a 48 foot dressing locker and supply room on each side of the lobby. Dressing rooms include benches, shower and sanitary facilities.

The grass football arena and other grass areas on the field will require five acres of raking and seeding. A 4,000 foot wire fence will also be erected. Adequate parking space will be provided.

In commenting on the improvements which have been made at Fort Lewis since the camp was first established a quarter century ago to house the recruits from all the western states to form the 91st division, Colonel Glass stated that about \$600,000 have been expended on Fort Lewis improvements to which the army contributed over \$103,000.

Man Killed in Deer Hunting

LA GRANDE, Sept. 20.—(AP)—Oregon's deer season had an early fatality Saturday in the accidental shooting of Harry Lawrence, 21, Cove.

With two companions, Royal Borgreen and Leo Anderson, also of Cove, Lawrence was hunting in the Wallowa mountain foothills.

Deputy Coroner W. C. Arrivey said the gun of one of the victim's companions discharged accidentally and Lawrence was killed outright.

Three Quinelas Pay off \$459.50

SPOKANE, Sept. 20.—(AP)—The wise money was concentrated in three quinela tickets at Playfair race track Saturday and each one paid off at \$459.50 when Drop In, longest shot of the meeting, won the second race and Gold Lace took second in a photo finish.

Two of the three tickets were wired in from the coast. The other was held by William Spiker of Colbert. Tickets on Drop in paid \$96.60, \$37.50 and \$10.60.

Whirly Takes All-Time 3rd Money Post

NEW YORK, Sept. 20.—(AP)—Whirlyway picked up \$23,950 Saturday as easily as dropping a nickel in a subway turnstile, and with this pay day he climbed into third place on the all-time list of the turf's money winners.

Warren Wright's wacky three-year old champion made a joke of the ancient Lawrence realization at Belmont as he romped home by ten lengths in front of three colts whose only apparent excuse for being at the same track with Whirly was that each had four legs and ate oats, too.

He had absolutely no competition, and the way he waltzed home left a crowd of 27,305 as cold as New Year's day with no coal in the cellar. He was only \$2.40 for the \$2 in the mutual payoff.

Jockey Al Robertson, who was part of the 126-pound package on the colt's back, had him far up the track and almost pulled up by the time Hal Price Headley's Al-aking, W. E. Boeing's Time Counts and William DuPont Jr.'s Fairymant, came across the wire in that order. Alaking had the place spot by six lengths over Boeing's galloper, and picked up \$2,166 for second money. Time Counts' third-place take was \$1,063, while Fairymant found a reason for showing up in getting \$500 fourth money.

Warspite Chief Tells Battles

stacks and all her overworks went off her like the lid off a burning box.

"Then we put two more broadsides into her, just to make sure, and illuminated the next cruiser with our searchlight. We gave her just one broadside with the same result.

"By this time the battleships behind us, the Barham and the Valiant, were firing on the third cruiser so we looked around for other ships and found a destroyer which had been following the cruisers. We put a broadside into her and she simply disappeared.

"The whole thing took just four minutes—of course, we didn't time it carefully but it was right about that time.

Captain Fisher was proud of his ship's part in the battle of Crete but said because of restrictions he could not go into details.

"Our chief concern was to cover the evacuation of Crete," he said, "and also to cover our own light forces attacking the enemy convoys.

"We were not actually engaged with the enemy fleet—our role was entirely anti-aircraft."

"And the role of the aircraft was entirely anti-Warspite's" a reporter suggested.

"Not at all, Captain Fisher said. 'They distributed their favors quite impartially.'

He said the action was continued.

Hawaiians Pass Pilots Dizzy To Win Season Opener 33-6

Sammy Snead Four Over to Tie Cup Lead

PHILADELPHIA, Sept. 20.—(AP)—Slammin' Sam Snead, first round leader in the \$7500 Hurst invitation golf tournament, blew himself to a four-over-par 74 Saturday to slip into a three way tie at 138 with two Ohioans—Billy Burke of Cleveland and Tony Penna of Dayton—at the 36-hole halfway mark.

The hillbilly from Hot Springs, Va., whose sparkling 64 set a new course record Friday at the Torredale-Frankford Country club, put in an afternoon reminiscent of his heart-breaking effort in the 1939 national open here when he tossed away the title with an eight on the final hole.

He went two over regulation figures on each nine and he needed a flock of sensational recoveries to stay that low. Most of the second day gallery of 5000 watched Snead.

Burke, national open champion in 1931, tacked a one-over-par 71 to his first round 67, while Penna, the Dayton pro, came home in even par to join the top bracket.

Slim Teri Johnson, Philadelphia open champion who followed Snead with a 65 Friday, duplicated the slammer's feat with a sour 74.

Gentleman Farmer Gene Sarazen, of East Brookfield, Conn., and Horton Smith, of Pinehurst, N.C., kept pace with Johnson at 139.

The doughty little Sarazen, former British and American open champion, clipped one stroke off par Saturday and he did it with a 50-foot putt for a birdie three on the 18th hole. Smith, who carded a first round 69, held to his steady pace with a 70.

Ky Laffoon, of Chicago, Ill., took four putts on the par three fourth and still got in with a 71 for a 140 total.

Former open champion Ralph Guldahl and national PGA king V. Ghezzi turned in the day's best scores, 68, with Guldahl landing at the 142 total, along with Lawson Little, 1940 open winner, 72-70, Jimmy Demaret, Clayton, Conn., 72-70, and Clayton Heafner, Linville, N.C., 71-71.

Byron Nelson, former open winner, shot a 71 to join Ghezzi, Craig Wood, the present open ruler, 71-72, Bobby Cruikshank, Richmond, Va., 70-73, and Ben Hogan, Hershey, Pa., 72-71, the year's leading money winner, at 143.

Benefit Gets Moyer

PORTLAND, Sept. 20.—(AP)—Tommy Moyer, Multnomah Athletic club's ace boxer and current national AAU 135-pound champion, will appear in a United Service Order benefit show at Cleveland, Ohio, early this fall. The Multnomah club's boxing team has been ordered to report for training in expectation of a Portland fight program scheduled soon.

uous and furious from May 20 to 23.

"The final outcome was that we had to evacuate Crete," he said. "We found it quite impossible to contend against the enemy's overwhelming air superiority. I don't know how many planes there were in action against us, but I've never seen so many aircraft at one time in my life. The air was simply full of them."

Captain Fisher gave his interview aboard his ship with the Earl of Carrick, representing the British naval repair mission and American officers of the 13th naval district interested listeners.

John Naumu, Nolle Smith Star as Portland Held To Lone Touchdown

PORTLAND, Ore., Sept. 20.—(AP)—A pass-angling University of Hawaii team breezed to a 33-6 victory over the University of Portland in the first football game of the season here Saturday night.

The opening touchdown was typical. It came on the second play of the game, Halfback John Naumu passing from the Hawaiian 35-yard line to Halfback Nolle Smith on the Portland 40. Smith flipped away from two Portland tacklers and raced to the score.

The fastest man on the field, Smith scored the second touchdown a few moments later on a 15-yard pass from Naumu, and reeled off an 18-yard end run for a score in the third quarter.

Fullback Buddy Abreu, who converted two points after touchdowns, plunged over for another pass and Naumu crashed through the line for ten yards and a third-period touchdown. A pass, Naumu to Quarterback Mun King Wong, added the extra point.

Portland's lone showing came late in the third period. A long pass put the losers on the Hawaiian 26, from where Fullback Durham plunged in three plays to the 16. Hansen toured end for the score.

Neither team had strength on the ground, but all the Hawaiians had to do was weave the ball as far downfield as possible. Somehow a receiver always climbed high into the air, stretched out one hand and pulled in the ball.

The visitors substituted freely in the closing quarter, which saw Portland make another bid for a score.

A fourth-down fumble by the Hawaiians enabled Portland to take over the ball on the opponents' 37. Portland then plunged to a first down on the eight, but there the visitors dug in. Four plays netted but three yards, and Hawaii took the ball and ran it out to midfield, where the game ended.

Parker Nips Bobby Riggs In Net Meet

LOS ANGELES, Sept. 20.—(AP)—Calm Frankie Parker turned into a whirlwind Saturday, blasting National Champion Bobby Riggs to the sidelines in the Pacific southwest tennis tournament.

Parker, formerly of Milwaukee, now of nearby Altadena, Calif., ruined Riggs' hopes for his second successive victory in this tournament, and accomplished the startling upset in straight sets, 7-5, 6-1, 6-3.

Frank Kovacs, of Oakland, will be Parker's opponent in the finals Sunday.

Mrs. Sarah Palfrey Cook of Boston, United States women's champion, moved into the finals of this division with a hard fought but well earned victory over Mrs. Grace Wheeler Kellner of Santa Monica, 6-4, 4-6, 6-2. She plays Chubby Dorothy Bundy of Santa Monica for the women's title Sunday.

The latter gained the finals by defeating Margaret Osborne of San Francisco Friday.

Parker apparently caught Riggs in a sluggish mood, over-matched him with a perfect performance. From a point midway in the first set Parker swept eight straight games while the gallery sat in stunned silence. Frankie's backhand was his main weapon, and he used it to devastating advantage.

Kovacs reached the championship round Friday, defeating George Richards of Montebello, Calif.
