

Banquet Is Event of Week

One of the outstanding events held during National Business Women's week was the public relations banquet Thursday night in the Mirror room of the Marlon hotel with members of the Salem Business and Professional Women's club acting as hostesses. National defense was the theme for the formal banquet and the red, white and blue color scheme was carried out in the decorations and appointments. The tables were arranged to form a V and the head table was centered with a bouquet of red and white dahlias and blue delphiniums encircling a Victory V. The other tables carried out the patriotic colors in the flower arrangements and all the candies were white.

Patriotic Motif
Favors were red nut cups set on blue and silver stars and the programs were defense postal savings stamp books with red, white and blue sheets. The club emblem, state and national flags and bouquets of fall flowers completed the decorations about the room.

Miss Carolyn Wilson, president of the club, presided at the banquet and gave an address of welcome to the guests with Mayor W. W. Chadwick giving the response. Marguerite Shelley led the singing of the national anthem and "God Bless America." Mrs. Byron B. Herrick, past president of the Oregon Federation, read the club code.

How to make Pillsbury's Four-Layer Cream Pie

Easy Pillsbury Recipe:
First, a flaky, tender pie crust: 1. Bake a 9-in. pie shell, using Pillsbury's Best Flour. Chill ingredients before mixing. Work quickly with a "flaky" hand. Add liquid to flour mixture a little at a time. (Pillsbury's Best has the same perfect flavor and fine baking quality as always, but two B-vitamins and iron have been added—elements everyone needs for sound nerves and good appetite.) 2. For smooth, creamy filling: Combine 1/2 c. Pillsbury's Best, 1/2 c. sugar, and 1/4 tsp. salt in top of double boiler. Add 3 c. milk, slowly stir constantly. As the mixture thickens, note the rich creamy color, the smooth, ungrained texture so necessary to perfect filling. Pillsbury's Best is tested every hour for creamy-white color! 3. Cook mixture over boiling water until thick and smooth (10 min.). 4. Add a little of the hot filling to 2 eggs, well-beaten. Mix well. Return to hot mixture. Stir and cook about 1 min. longer. 5. Remove from fire—add 1 tsp. vanilla. Turn 1/4 mixture into your tender, flaky pie shell (it's always tender and flaky if you use Pillsbury's Best, for we test by actual baking 4 to 5 times daily to make sure that Pillsbury's Best will always do its very best for you! Pillsbury's Best is truly the smoothest to protect your baking.) 6. Add 1/4 tsp. (1/2 fl. oz.) unweakened chocolate, melted, and 3 Tbsp. sugar to other half. 7. Pour over the smooth vanilla filling. Top, thick, sweetened whipped cream over all and sprinkle grated chocolate over top. Four-Layer Cream Pie looks like a chef's dream. And as you cut, it notes how tender, how delicate and flaky pie crust can be when you use Pillsbury's Best! Four-Layer Cream Pie tastes as luscious as it looks, so we'd advise making an extra one. Then you can answer those welcome compliments with "Have another piece of pie!"
