Many times Germany has claimed to have sunk the Ark Royal, Britain's most famous aircraft carrier. Now, according to a British admiralty announcement, the Ark Royal has been lost. It was struck by a torpedo from a German submarine and went to the bottom while being towed. The communique stated that the casualties were not heavy since most of the ship's personnel had been removed.

First of a fleet of giant four-engined flying boats built for non-stop transatlantic service for American Export Airlines is nearing completion at Stratford, Conn. The planes have a top speed of 235 miles per hour. They are 80 feet long and will have accommodations for 40 passengers.

Legal Notice

tain pens and parts thereof, lead and erasers for pencils, pencil lead containers, and writing ink, and has applied for registration of said trade-mark in the office of the Secretary of State of the State of Oregon under the provisions of Section 70-105, Oregon Code 1930.
