15 army pursuit ships from the Portland airbase is scheduled as one of the afternoon's attractions. Although most of the Portland-based planes are being sent on On Jap Reply maneuvers, one flight is to be held in this area for this event, air lines officials have been, informed, it was said.

A luncheon at which UAL is to be host for visiting dignitaries and a group of Salem persons is to follow departure of the first passenger plane at 1:20 p.m.

The sleeper plane is to be parked on the taxi apron west of the hangar for inspection by airport visitors during the afternoon. while courtesy flights in the Mainliner continue.

Sometime during the late afternoon an airplane from Portland is to bring to the capital the banquet here.

100x

Arrangements to care for traffic at the airport include plans to keep cars out of the mud. Tom Armstrong, chairman of the council's airport committee, and Harold Davis, city engineer, said Wednesday. Fresh gravel has been pressed into the driveway leading into the airport from Turner road and the drive has been extended around north and east sides of the hangar to the temporary administration building. City police are to handle traffic and parking.

United Airlines maps which appeared in Salem on Wednesday include Salem on the UAL route and give the capital city timetable listing.
