

Stock Market Stages Rally

Best Session in More Than Year Results In General Rise NEW YORK, Dec. 30-(AP)—Stocks hit the high spots in Tuesday's market for the best rally in more than a year.

After some irregularity at the opening, when it was necessary to absorb continued heavy tax selling, a buying wave swept over the list and lifted favorites 1 to 4 points at the best.

The Associated Press average of 60 stocks ended with a net advance of 1.4 points at 37.2, biggest jump of this barometer since November 7, 1940.

Shares up 3 to 4 or so included Union Carbide, Allied Chemical, Du Pont, Westinghouse, American Can, and Union Pacific.

Hop Contracts Filed for 1942 Crop

Sale of 63,000 pounds of the 1942 hop crop at prices ranging from 34 to 41 cents was revealed in contracts filed this week with County Recorder Herman Lafky.

The 41-cent quotation was a premium offer in contracts of Hugo Loewi, Inc., for hops containing less than 2 per cent seed, while prices in the same contracts were as low as 34 and 32 cents for those containing more than 5 per cent seed.

Contracting to sell to Loewi were William Cummings, route two, Aurora, whose entire '42 crop was estimated at 4000 pounds; Jack Murray, route two, Aurora, offering 6000 pounds of clusters; and C. A. Yergen and Ida Vaughn, whose entire cluster crop was estimated at 5000 pounds from the yard 5 1/2 miles northwest of Salem.

A straight 35 cents was promised by S. S. Steiner company in contracts with Bellamy brothers, route one, Aurora, for 8000 pounds of late clusters; Robert T. Coleman and Martha Coleman, route one, Gervais, for 10,000 pounds of late clusters; Edgar Crosby, Woodburn, 10,000 pounds of late clusters; E. C. Davidson, St. Paul, 10,000 pounds of fuggles, and Kaufmann brothers, between Woodburn and St. Paul, 10,000 pounds of fuggles.

Credit Dealers Must Register By Month End

In accordance with the provisions of regulation W, pertaining to consumer credit, many dealers and lenders engaged in extending installment credit have filed registration statements with the federal reserve bank of San Francisco.

The number of statements received to date makes it apparent, however, that numerous concerns which are required to register by December 31, if they plan to continue to extend installment credit, have thus far overlooked filing the statement.

It is urged that any dealer who sells listed consumers' durable goods on the installment plan and any cash lender who extends installment credit in amounts of \$1500 or less, file the necessary registration statement at once, unless that has already been done.

Necessary forms and instructions for registering can be obtained from the federal reserve bank, San Francisco, or any of its branches, located in Los Angeles, Portland, Salt Lake City and Seattle. If any concern is in doubt as to whether it should register, it should communicate at once with the nearest office of the federal reserve bank.
