Blackout Rules Explained by Silvertown Defense Chairman

SILVERTOWN — L. C. Eastman, Silvertown defense council chairman, reports that there is evidently some misunderstanding in regard to leaving lights.

The general order stands, said Eastman Wednesday afternoon, that all lights which cannot be put out in 60 seconds must be left out. Therefore, no lights may be left in a home or business house when the home or business house is vacated even for as much as two minutes. If residents leave their homes to go across the street to visit with a neighbor, that resident must put out the lights.

Eastman added that practice blackouts will be held in the near future. While the days and the hours when these blackouts are to be held will be known, the exact time will be a surprise.

Eastman added that the people of Silvertown have been good about cooperating in as far as they understood orders.

He reported that V. R. Casebeer, who has been rural patrol supervisor at Silvertown, has been called into active duty, and Roy Davenport, who has been serving as Casebeer's assistant, will now serve as supervisor. The privilege of choosing his own assistant was left up to Davenport.

Dr. P. A. Loar has been made head of the medical aid division civilian defense of Silvertown and outlying districts including Mt. Angel, Monitor and Scotts Mills. His advisory committee consists of

Harry Carson and Ruth Barber.

Appointments under this division are: Daylight emergency squad, 8 a.m. to 8 p.m., Dr. A. J. VanCleave; night emergency squad, 8 p.m. to 8 a.m., Dr. P. A. Loar; nurses, Mrs. Dora Gores, Mrs. W. L. Need for 2nd Phone Operator To Handle Army Calls Discussed

SCIO — Efforts are being made at Scio to provide funds for payment of another experienced operator to assist the one paid operator in handling army flash calls through the local office of the Scio Mutual Telephone Association, Inc.

Two civilian aircraft warning stations are in operation in the Scio area, and the switchboard operator, Mrs. Jennie Weddle, is at present on 24-hour call to put through the army warnings. The local telephone company receives no payment for these long distance calls, as the army intercepting command makes payment at the place received.

Discussion of the problem was made at the annual meeting of the company patrons at Scio Odd Fellows hall Saturday, but definite solution was not obtained.

Indebtedness of the company, a non-profit, cooperatively owned enterprise is currently \$244.93 in back taxes, according to report of the secretary, Mrs. Frank Bartu. The company has a balance on hand of \$189.30, the report stated. Collections during 1941 were

\$2745.78, and expenditure \$2556.41, the secretary stated.

Rudolph Borovicka was reelected president, and Joe Menhart, jr., Jack Shelton, Byron Bates and W. W. Miller were renamed directors. Operator, secretary and treasurer will be chosen by the board.
