With the holidays only a faint memory, the college girl has settled down for the long winter term of hard work, cold weather, and few changes To keep from getting the doldrums she should indulge in the purchase of a few colorful accessories that she can wear around the campus and to the movies. Top left is a classic campus outfit consisting of shirtwaist dress and crocheted beanie. The Waverly scarf worn with the frock is in paisley pattern in soft, muted tones, the solid color border being drawn through the button opening in casual fashion The set, top right, consists of bright red suede mittens created by Bacmo, and matching beanie, both trimmed with soft white fur Below is a flipper bag which contains mirror, comb. keycase, pencil, nail file and identification card, each in its own compartment. The other side has a change purse and room for lipstick, compact, pad and pencil, and the whole thing is no larger than an ordinary handbag It was created for the college set, and Frilo was
