Roosevelt Signs Price Control Measure

Of Bill

Warns Inflation Battle Not Won; **Good Otherwise**

WASHINGTON, Jan. 30 (AP) - President Roosevelt signed the price control bill Friday, but warned that its provisions on agricultural prices were inadequate to prevent an inflationary increase in living costs.

the purposes of our enemies than that we should become the victims of inflation," the chief executive said in a formal statement which also asserted that the enactment of the bill did not mean that "the battle against inflation has been won.'

On the whole, Mr. Roosevelt found the measure good, however. In view of the half year of congressional controversy that preceded its passage, he felt it was the best bill that could be had, and therefore affixed his signa-

The bill gives Leon Henderson, the price administrator, authority to fix maximum rents and maximum prices for a long list of commodities and articles used by civilians or needed for the war ef-

The basis of these maxima would be the price structure of early October, 1941, or the rent level of the period since April 1,

Exceptions are provided for farm and fishery prices. No (Turn to Page 2, Col. 5)

British Save Troops From Libya Rout

CAIRO, Jan. 30-(A)-The major part of the British forces covering Bengasi were reported Friday night to have been withtdrawn safely from the area of that axisoccupied port after a fierce rearguard action against Field Marshal Gen. Erwin Rommel's sustained and powerful counterthrust along the road of his previ-

The great majority of the supply dumps established by the British eighth army after the city was taken on Christmas eve were blown up and such harbor works as had been repaired were again destroyed.

The rear-guard action was left to the seventh infantry brigade, some of these men had not been flict. extricated before the Germans got astride the main coastal road north of Bengasi.

(In London, however, it was reported that all had been saved, and it was suggested some men might have been removed by sea.) Rommel's recapture of Bengasi, some 180 miles back from the farthest which struck in greatly superior force, the imperial British com- on, "winter will break in the mand announced during the day in south and the ice will melt and

(AP)-Recreation halls on wheels soon will be rolling up and down the Pacific coast to entertain isolated army and navy posts in California, Oregon and Washington, the United Service Organizations announced Friday.

Each unit will be equipped with motion picture projector, screen and films. Portable desks and writing materials will be available for letter-writing. Kitchen and dining equipment will make coffee and sandwiches available. A public address system and library of records will offer music and books and magazines will be supplied readers,

Raid Warning Given Okeh

Main Whistle to Be Installed at Heating Plant; Others Ready

Coincidence of an air raid whistle test and arrival over Salem of four airplanes caused many citizens Tuesday afternoon to wonder if "this is the real thing, an air raid." It was not.

Tested twice, the huge whistle, formerly mounted on a steamship, was declared satisfactory and disconnected from a boiler at the Valley Packing company preparatory to permanent installation at the state's central heating plant at 12th and Ferry streets. It is 12 inches in diameter and 36 inch-

Another steamer whistle, set up at the paper mill, is to be changed to the siren or mocking bird type, similar to the one tested Tuesday. Four and possibly five other, smaller whistles of the ber of submarines have been enor- same type, constructed at the A. B. McLauchlan company mato be located at the packing plant, the Miles linen mill, the state hospital, the City Ice works and, the fifth, at the Cherry City bak-

> The smaller steam whistles have a range of two to three miles. The larger one tested Tuesday was heard in the business district and at the state tuberculosis hospital.

Five of the ten special sirens ordered to blanket south Salem with warning signals have been shipped from an eastern supplier, Alderman L. F. LeGarie reported.

Corvallis Hears Bids for First Unit Called

Word that construction of the Polk-Benton counties army cantonment was about to get under way was heard in Corvallis Friday, backed by the report that contractors were to submit bids next Wednesday for an administration building and that 60,000,000 board feet of lumber was soon to be purchased for the big project.

The administration building, described as a two-story frame structure, is to be completed by early March. It is to be located in northern Benton county, approximate site menonly laughed at Jap appeals that tioned last fall as the probable area in which post activities might center.

In Corvellie, the Carette Times reported that both the Southern Pacific railroad and the West Side Pacific highway were to be relocated and erection of barracks started as soon as

Details as to the probable size and cost of the cantonment, published in letins last summer and fall, are being withheld at this time at the request of army authorities. They have indicated that no additional official statements are to was addressed to General MacAr-

> PORTLAND, Jan. 30-(/P)-The Pacific Coast Lumber Digest said Friday the government would purchase 150,000,000 board feet of lumber from western mills next week for new army construction.

> The cantonment at Corvallis will get 60,000,000 feet of the lumber purchased and a small amount will go for the cantonment at Medford, said C. C. Crow, publisher. The remainder, he said, would be used for construction of ordnance plants in California, Colorado, South Dakota and Arisona, and for airports in Washington and South Dakota. Crow said he expected about
