

Roof Signs, Test Blackouts and Store Lights Come Up for Study

SILVERTON—L. C. Eastman, local defense chairman, reports that he has received orders that all roof signs giving airplane directions or other information are to be painted out. Arrangements at Silverton to check these are now underway.

Girls Dance But Soldiers Stay at Post

MONMOUTH — The grim reality of living in a country at war was brought home to the young women students at Oregon College of Education.

Recently, an invitation was extended through authorities of the school to a number of United States uniformed men stationed in the Willamette valley, to attend the annual formal college dance here February 14.

Now the invitation has been declined with regret, and with this tersely explanatory statement: "Soldiers are frozen to their posts."

Disappointment clouds the party plans but the girls are taking it in their stride—like real American girls, knowing those soldier boys are saying with their modern wisecrack just as surely as did the poet: "Our country, to be cherished in all our hearts, to be defended by all our hands."

Group Plans Quilting for Red Cross

HAZEL GREEN — Mrs. Theodore Rostvold (Eileen Clemens), was hostess to the Sunshine Sewing club at her new home near Monitor. Mrs. Charles Zielinski and Mrs. Virgil Perriene will entertain the club February 18 at Mrs. Zielinski's home. A small quilt will be quilted for the Red Cross. The quilt was pieced by the junior Red Cross of the school.

Present were special guests, Mrs. Lena Bell Kalb, Oregon City and Gertrude Zielinski; and members, Mesdames Hattie Van Cleave, Joseph Zielinski, Ben Clemens, Charles Zielinski, Virgil Perriene, Herman Wacken, Merle Casselman, Laroy Van Cleave, Alvin Van Cleave, Lawrence Zielinski, John Schaeffer, Arthur Clemens, Ralph Gilbert and Mrs. Myren, Mrs. Runkle, Mrs. Doane and the hostess.

Mr. and Mrs. Archie McCorkle have returned from Oakland, Calif., where they were called by the serious illness of Mrs. McCorkle's aunt, Mrs. Williams. Velma accompanied her parents as far as Klamath Falls, where she visited a cousin, the former Vivian Freed.

Rev. Leila Luckey, Portland, visited at the J. A. Zielinski home. Miss Luckey was pastor of the Hazel Green church for six years. The church was closed in 1935 and sold to the Japanese congregation in 1936.

Benjamin Vice moved Monday from the small house on the Alexander Sharp farm to the Chemawa community.

Guest of Relatives

JEFFERSON — Mr. and Mrs. Roy Henderson and Carol Lee arrived from near Cottage Grove Monday for a visit at the home of Henderson's parents, Mr. and Mrs. John Henderson. They were overnight guests Tuesday at the home of Mr. and Mrs. Orville Sheffield. Mrs. Henderson and Mrs. Sheffield are sisters. Henderson is employed in the timber at London and has been laid off for two weeks because of a strike.

Collecto Coed Sweetheart

"Red" Kernes, campus favorite, was chosen by members of a girls service honorary at Oregon College of Education as their "club sweetheart." The announcement was made at a Valentine dance.

Student From Salem Named

MONMOUTH—Again Collecto Coeds, girls' service honorary at Oregon College of Education, chose the Valentine season to select their club "sweetheart." At a dance Friday, sponsored by Collecto, Loren "Red" Kernes was named and presented with a silver loving cup engraved with his name.

"Red," a Salem high graduate, is a member of the Wolves' basketball quintet and a campus favorite. Popularity, personality and campus cooperation are basic reasons for the annual sweetheart choice. Last year's glamour boy was Al Neet of Fall Creek. "Red" is 5 feet 10 with beau-

tiful red hair and all the girls say his smile rivals that of Mickey Rooney. The dance background was effectively seasonal with red and white streamers, showers of red hearts and a large pseudo-statue of Cupid wielding his bow and arrows. Betty Addison, Independence, president of Collecto, made the announcement and presented the cup to "Red" who was obviously surprised to be so honored.

Phone Group Elects

RICKREALL — The rural telephone group, 6F and 39F, held their annual business meeting and reelected Cecil Pettier president and Warren B. Allen secretary-treasurer. T. W. Burch was elected director to replace Mrs. E. A. Stenson.

Defense Show To Be Given At Silverton

SILVERTON — Civilian defense workers in Silverton, Mt. Angel, Monitor and Scotts Mills are called to attend a meeting at the Eugene Field high school auditorium Thursday at 8 p.m., announces O. E. Royer, district air raid warden.

Motion pictures and slides will be shown portraying actual conditions in London during air raids over that city. These pictures have been secured through the courtesy of the Bonneville administration and are being made available for instruction purposes to defense workers. Because it is essential that information such as this be given to those who are being charged with defense activities, the general public is not invited at this time. There is not sufficient room to accommodate more than defense groups.

Air raid wardens and their squads, auxiliary firemen, auxiliary police and fire spotters are urged to attend.

Officers Practice

MILL CITY—Officers of Marilyn chapter, OES, held a practice period Monday preparatory to giving the initiatory work at the district meeting in Stayton on February 28.

Basketball Prize Winners Feted By Mt. Angel Business Group

MT. ANGEL—Mt. Angel Preps, Oregon Catholic high school champions, their coach, Ted Marx, and athletic director, Rev. Edward Spear, were guests of the Mt. Angel Business Men's club at its luncheon meeting Tuesday.

The two trophies, the huge one won by the team and the personal trophy won by Leo Groes-jacques for high scoring, were on display.

Douglas A. Harris, club president, congratulated the team and mentors. Father Edward and Coach Marx were each asked to speak and responded briefly. The former stated that he was very proud of the boys, not only for winning the championship but because they proved themselves to be "gentlemen both off and on the floor" throughout the stay in The Dalles.

Coach Marx declared them "a fine set of boys and real champions" and mentioned the Silver-ton thriller when the Preps pulled ahead in the second half to overcome a 15-point Silverton lead and win. He introduced, the change as follows: Leo Groes-jacques, Alvin May, Cyril Walker, Henry Sprauer, Jerry Worley, Fred Hauth, Rus Aman, Frank

Denaka, Frank Groesjacques, Charles Griffith and Bob Trever-son. The manager, Gerald Dardis, could not be present.

Father Alcuin likewise congratulated the boys and then turned to the sadder topic of the sudden death of Paul Schwab, past president of the club. At his request the entire assembly rose to offer a prayer for the departed comrade. Business houses were closed during the funeral.

Lee Withers, chairman of the entertainment committee, announced that a special feature of the meeting, February 24, would be talks by "Spec" Keene and Sen. Douglas McKay on the Hawaii affair. Members were invited to bring their wives to the meeting.

Dr. Schierbaum reported that the by-laws would be changed as soon as the committee could arrange it.

Peter Gores requested information regarding the installation of an additional siren for air raid alarms and was told by Walter Smith that a third siren has been procured and will be installed on the LeDoux garage.

Ticket sellers for next meeting are Leo Schwab and J. J. Penner.
