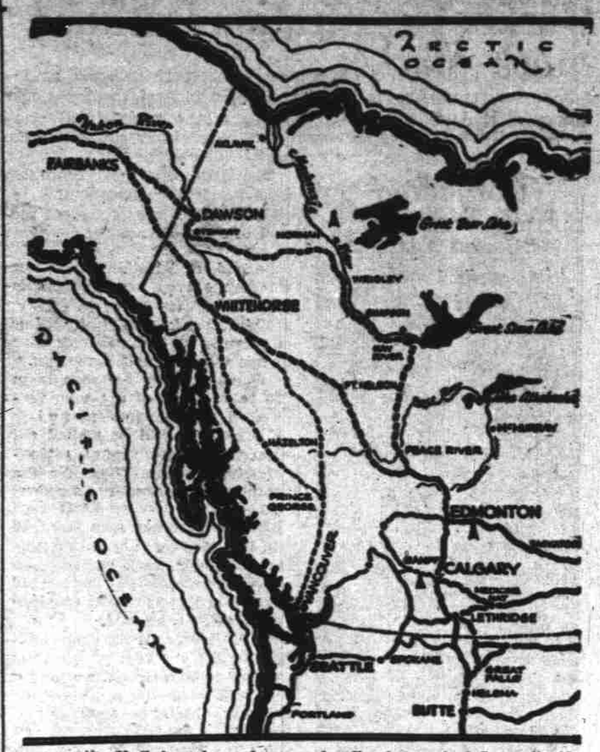
Defense Routes Set for Alaska



When the U. S. launches a large-scale offensive against Japan itself, it will be through Alaska and the Aleutian islands, according to military observers. Likewise, Alaska is one of the three key invasion points for a possible Japanese assault on continental United States. To defend Alaska from the enemy, the U. S. has to have roads over which to move supplies and men. Four different routes have been proposed and are indicated by the dotted lines on the map above. One route would connect Alaska with the industrial east. Such a highway would pass via Edmonton and the Great Slave lake.

Mrs. S. A. Gay received word from her daughter, Mrs. Arlo Taylor Tuesday that Taylor was resting easy and hope was being held for his recovery. Taylor sustained a fractured skull and jaw Saturday in an automobile wreck near Needles, Calif. He was removed to a Los Angeles hospital, and Mrs. Taylor, who had just come north for a visit with her parents, left by plane Saturday noon.
