

Most Stocks Indefinite

Some Issues Strive For Recovery Saturday

NEW YORK, March 28—(AP) Some recently weak blue chips made feeble starts at recovery in Saturday's stock market but the list generally finished an irregularly lower week without a definite trend.

The day's turnover of 131,350 shares was the lowest since last August 16 and compared with 169,690 the previous Saturday. The Associated Press average of 60 stocks was unchanged at 34.4 but on the week was off 3.

Among the better performers Zenith Radio was up a point at 11 1/2, a new high for 1942. On the other hand, J. I. Case and Union Carbide slipped 1/4 each to new lows for the year. American Telephone, which Friday hit a new bottom since 1938, recovered 1/4 of a point.

Gainers included General Motors, Chrysler, Montgomery Ward, Youngstown Sheet, Santa Fe, Pennsylvania, Western Union, Air Reduction, International Harvester, United Aircraft, Westinghouse, US Gypsum and Texas Co.

A shade down were NY Central, Great Northern, US Rubber, Anaconda, Johns-Manville, Standard Oil (NJ), American Can, General Electric, Du Pont and J. C. Penney.

Jersey Breeders To Hear Official At Hillsboro

Daermen and especially Jersey breeders of southern Washington and northwestern Oregon will have an opportunity to hear J. C. Nisbet, the new extension director of the American Jersey Cattle club, at Hillsboro, on April 4.

He is expected to discuss the 1000 registered Jersey bull program and outline suggestions for the best development of the breed. The all-day meeting is scheduled for the Hillsboro union high school, beginning at 10 a.m. The meeting and noon luncheon will be held in the high school building. The speaker will discuss the new plan of the American Jersey Cattle club, designed to emphasize attention to the importance of using bulls of high quality. This has reference to the recently announced program whereby purebred breeders are giving 1000 registered bulls to owners of grade herds this summer. Nisbet is also slated to include an outline of recommended practices that purebred breeders should follow in the best development of their breed.

Future Farmers Scan Donor List

Henry Werner, Silverton, president of the Marion County Jersey Cattle club shows Keith Olson, route 7, Salem, and John Jerman, Salem Future Farmer association president, the list of 31 Oregon "Victory" bull donors following the meeting this week with T. K. Warren, Portland, American Cattle club fieldman. The Future Farmers hope to be awarded one of the bulls, which are being given this summer by Jersey breeders to stimulate interest in use of better bulls throughout the country.

Wheat Rallies Out of Loss

CHICAGO, March 28—(AP) Showing much more strength than in any recent session, wheat prices Saturday rallied two cents a bushel from early lows, wiping out losses suffered earlier in the week.

Similar gains were scored in the rye pit while soybeans were up almost five cents at one stage and corn and oats rose fractions to a cent.

The rally was unexpected and quick. Traders said the rapidity of the upturn, matching speedy drops that have occurred on several occasions recently, betrayed the thin character of the market, making prices easily susceptible to comparatively few orders. Week-end short-covering accelerated the advance once it got under way.

Traders said some of the buying came from consuming interests, including mills, who entered the market at the first sign of strength. Revival of inflation talk, based partly on the statement of a price administration official that prices are going up at a dangerous pace, also was credited for the advance.

Wheat closed 1-1/2 cents higher than yesterday, May \$1.26 1/4-1/2, July \$1.28 1/4-1/2.

Dallas Creamery Scores in State

DALLAS—The pasteurized milk and cream of the Dallas creamery received one of the highest scores among grade A dairies in the state, according to a report received this week by

"Strictly Private" By Quinn Hall

G. Brandl, owner.

Tests are made by the state department of agriculture on samples taken without warning from the regular run of milk and cream bottled for retail delivery.

The milk scored 94.9 and the cream tested 92, among the very highest in a list of some 50 or more dairies. Bacterial count in both tests was very low.

Milk Price Boost at Silverton Scheduled

SILVERTON—Milk prices are being "upped" next week at Silverton but cream prices are remaining the same according to announcements made Friday by Silverton dairymen.

Starting April 1, milk will sell at 13 cents a quart and 8 cents a pint.
