## 400 Leave Portland **For Farms**

SAN FRANCISCO, May 20-(AP)-In its first such order of the war, the army Wednesday night authorized the release of 400 Japanese from a Pacific coast resettlement center to take jobs under a newlycreated work corps for Japanese.

Lieut.-Gen. J. L. DeWitt,

commanding general of the fourth army, announced that 200 Japanese left Wednesday from Portland, Ore., to take jobs in Malheur county, Ore., and another 200 would follow them on Friday.

While the army did not specify the type of work the Japanese would do, it was recalled that Oregon's Gov. Charles A. Sprague had appealed to the army for Japanese to ease a critical labor shortage in the wheat harvest.

The service was cut for nine hours May 9-10 and at that CHUNGKING, May 20-(AP)-A time Berlin hinted mysterious-

heavy downpour, perhaps the beginning of the months-long summer rainy season, drenched the southwestern Burma-Yunnan battlefields Wednesday as China hastily strengthened defenses along the Indo-China border to the south and fought to stem the Japanese offensive on the eastern coast in Chekiang.

The Chinese looked to the rain as an ally which might fill the roads with landslides, wash out bridges, ravage Japanese camps with malaria and hold up for months the invaders' advance through the mountainous, sparsely populated southwestern zone.

No military action was reported at all Wednesday from that area, where at last accounts the Chinese had thrown back the Japanese along the Burma road at the Salween in Yunnan and fought a series of bitter battles 250 miles to the south along the Thailand frontier.

But the Chinese press said Japinese forces in Burma had been raised to six or seven divisionsclose to 150,000 men and about 50,000 higher than previous estimates.

**Soviet Denies Claim Kerch** All Taken

By WILLIAM SMITH WHITE Associated Press War Editor

The Russian offensive against Kharkov and its Ukrainian hinterland Thursday was still slowly and ponderously rolling forward and there were accumulating indications that Marshal Timoshenko had caught Hitler seriously off balance in this first great test of the spring campaign.

Fresh German reserves have been thrown against the soviets but five villages have been relosses occasioned by price freezing orders, if they proceed with captured by the red army, and an harvesting and processing of the attempted German counter-offenripening crops, Edmond F. Maher, sive 80 miles south of Kharkov in regional price representative for the Barvenkoviaizyum sector has the office of price administration, been checked, the dispatch said.

**One Pound for Each** Four Quarts of **Fruit Allowed** 

WASHINGTON, May 20-(AP) Sugar allotments for home canning were liberalized Wednesday night.

Under a new regulation, home canners will be entitled to one pound of sugar for every four quarts of canned fruit, and an ad-

ditional pound of sugar for each member of the family to make jams, jellies, preserves and fruit butters.

**Previous regulations restrict**ed each sugar ration cardholder to five pounds for home canning. If this amount has already been used in putting up early fruits and berries, it must be computed in any new can-

ning allotment. The liberalization was made, Price Administrator Leon Hen-

derson said, to conserve fruit which might otherwise be wasted GRANTS PASS, May 20-(AP)- and to supplement commercially Wartime problems and their effect | canned supplies, thereby reducon municipalities occupied the at- ing the burden on transportation
