

## Silverton Trinity Lutheran Church Plans 50th Anniversary

SILVERTON—The Rev. A. O. White, who served Silverton's Trinity Lutheran congregation from 1905 to 1917 and who was last at Silverton to give the 40th anniversary sermon, has promised to return to give the opening sermon in the three-day festival of the 50th anniversary planned for June 5, 6 and 7.

Rev. Mr. White has, since leaving Silverton, served congregations in Wisconsin, Michigan, the Dakotas and is now in Colorado. On June 6, the home coming for all old and newer members is being planned. During the afternoon a Norwegian sermon, the first to be given in several years, will be featured. Committee members planning the affair are hoping to obtain the Rev. C. L. Foss of Seattle, president of the Pacific coast district of Lutheran churches for 26 years and retiring some years ago because of his age and health. He has not been well this past winter, but has promised that if he is strong enough, he will deliver this sermon.

The informal homecoming meeting will be held Saturday night, June 6, at which time Dr. O. A. Tingelstad, president of Pacific Lutheran college of Parkland, Wash., Prof. Edwin Tingelstad of Parkland, and many other former members are expected to take brief parts. The Tingelstad brothers are sons of the late Mr. and Mrs. B. Tingelstad of Silverton, charter members and active in the early growth of the Silverton congregation.

The anniversary sermon itself will be given by the Right Rev. H. L. Foss of Seattle, also former pastor of the Silverton church. He is now president of the Pacific district, the position held so long by his father.

During the afternoon on June 7, visiting pastors will speak briefly and music will be furnished

ed by the choirs of Silverton's three Lutheran churches, Trinity, Immanuel and Calvary.

The anniversary festival will close on the night of June 7 with a youth rally.

The anniversary committee, headed by M. C. Gunderson, is making an effort to reach all who have been members of the congregation during the past 50 years. Many of the younger group will be absent because of war as a large number are with the armed forces. One former pastor will also be absent, Captain Carl Foss who is chaplain with a contingent in Texas. Captain Foss, it is recalled here, also served as chaplain overseas during the last World war. He was invited to give the youth rally talk on June 7 but reported that he would be unable to attend. He is a brother of Rt. Rev. H. L. Foss and a son of Rev. C. L. Foss.
