

Silverton Trinity Lutheran Church Observes Anniversary

SILVERTON—Rev. A. O. White who served Trinity church at Silverton from 1905 to 1917 and who was the second resident pastor of the congregation, will deliver the opening sermon of the 50th anniversary three-day observance Friday night at 8 o'clock.

Rev. Mr. White came to Silverton following Rev. N. Pedersen, who was called to the congregation from Bode, Iowa in 1893 just a year after the congregation was organized.

June 6, 1892 was the actual organization date of the local congregation. The Rev. B. Harstad, then president of the Norwegian Lutheran Synod of the Pacific coast was directly responsible for the organization of the congregation. He paid a visit to the Silver-

ton country in 1891 and was so impressed that he wrote to Ingebrig Larson, a former parishoner in Trail county, ND, to come west and help organize such a body. Mr. Larsen arrived with his family in 1891 and it was at his home on Liberty Hill that the congregation was first organized.

The Rev. A. O. Dolven, now of Chicago, but then of Portland, served the congregation from there during its first year.

Then Rev. Mr. Pedersen arrived and during his stay the church building was erected, and a cornerstone laid on October 29, 1893. But it was not until June 13, 1902 that the church was completed and dedicated. In the meantime a Ladies Aid society was organized in 1893, a choir in 1898 and a young people's society in 1901.

Rev. Pedersen's health failed somewhat, and in 1905 he moved to California and it was then that Rev. Mr. White was called. Rev. White went to Wisconsin in 1917 and has since served in many localities, his present pastorate being in Fowler, Wyoming. Music for Friday night will be furnished by Mrs. Don Burch, soloist.

Saturday afternoon, Rev. L. C. Foss, now past 80 years of age, but who had once served 26 consecutive years as president of the Pacific district, will give a Norwegian sermon in memory of the pioneers of the congregation. A Norwegian quartet, headed by Mrs. Dan Riveness will furnish the music.

Saturday night will be reunion night and Rev. M. J. K. Fuhr, host pastor, will serve as toastmaster. Cards have been sent to all former members who could be reached. Among the prominent speakers who will be present are Dr. O. A. Tingelstad, president of Pacific Luther college at Parkland,

Wash., and Prof. Edwin Tingelstad of the college also. The Tingelstad brothers, together with another brother, Martin of Salem, and their sister, Miss Marie Tingelstad of Silverton, are children of charter members of the church and they themselves spent their early days here. George Henriksen, son of the late Rev. George Henriksen who served the congregation from 1917 to 1926, will also be present to speak briefly. Invited to sing for the evening are Raymond Dahlen of Salem, Tom Kaarhus of Eugene, and Mrs. George Henriksen of Portland.

The Rt. Rev. H. L. Foss of Seattle, president of the Pacific district, the position held by his father so long, will be the anniversary speaker Sunday morning at 11 o'clock. The Rt. Rev. Foss served the Silverton congregation from 1926 to 1931. Music Sunday morning will be furnished by Trinity choir under the direction of Mrs. Tom Anderson, and by Tom Kaarhus. In the afternoon visiting pastors will bring greetings and music will be furnished by Trinity, Immanuel and Calvary churches.

Sunday night, the closing night of the observance, will be rally night with the Rev. Mr. Fuhr as speaker. Efforts were made to obtain Captain C. L. Foss, who served the congregation from 1931 to 1935 but he is serving as chaplain with the army in Texas and wrote he was unable to get away. Music for Sunday night will include selections by the Silverton Songmen and by Denzel Legard, violinist. Rev. Mr. Fuhr came to Silverton in 1937.

The present church building was built in 1919 during Rev. Henriksen's pastorate here. The first parsonage was built for Rev. A. O. White, and the new parsonage a year ago.

THRIFT . . .
An Old Word With New Meanings.

It's a sad truth that many people have always been a little ashamed of being thrifty. There was too much of "keeping up with the Joneses"—too little pride in living within income. • All that is changed now. Good Americans are learning the satisfaction of making a little go a long way—of doing without unnecessary luxuries and services. • These people by the million are joining the ranks of Penney customers—people who have always bought for cash, who have always carried their purchases home—who have always practiced the thrift to which patriotism now compels us all.
