Legion Plans Farewell for Inductees

By ETHAN GRANT

At a meeting Sunday at the Legion hall, Capital post No. 9's American Legion inductee farewell committee completed arrangements to sponsor a dessert luncheon for a number of local draftees who will leave Salem at 2 p. m. Thursday. The committee, headed by O. E. Palmateer, also set the stage for other similar programs in the future.

A dessert-luncheon, to be served by members of the post's auxiliary, will be followed by presentations to the inductees of cigarettes and candy donated by Piggly-Wiggly stores, Pearsons' cash grocery, Fred Meyer company, Safeway stores and Parrish grocery. Two members of the local clergy, Mayor W. W. Chadwick and others will make three-minute talks, after which a parade to the railroad station will begin promptly at 1:35 p. m. The parade will be headed by Wiscarson's band and the public is invited to participate.

Pies will be baked and served by women of the auxiliary, and ice cream will be furnished by Arden Farms This program, initiated by the

local American Legion group, is the first of its kind to be sponsored in Salem, and indications are that other organizations will participate in subsequent ones. The committee will be enlarged to include representatives of all organizations participating. Many suitable gifts for the men leaving for military service have been re-

Donations may be made directly to members of the committee, or left at the offices of The Oregon Statesman for delivery.
