Stock Mart Reverses

Day Starts Upward; Leaders Finish Fractions Down

NEW YORK, Sept. 9-(AP)-After s gains in the first hour the ck market reversed its course Vednesday and ended with most enders fractionally lower. Profit selling in American Tele-

one, Westinghouse, U. S. Steel and other key issues arrested the early advance.

In the late proceedings a num-

ber of utility preferred stocks and pecialties were bid up fractions around 2 points.
The Associated Press average of

50 stocks dipped .1 of a point to 37.1. Transactions totaled 361,980 shares compared with 399,130

Lower closings included Bethlehem Steel, Chrysler, Goodyear, Western Union, Du Pont, Eastman Kodak and Chesapeake & Ohio. A few of the isolated rises were

based on special developments. U. S. Leather prior preferred elimbed 21/8 on the declaration of an \$8 dividend on account of arrears. American Airlines scored a modest advance on the company's report for the first half showing net equal to \$1.91 a share against \$1.32 for the like 1941 period.

cereal price strength in the face of farm price control was based primarily on the fact that all grains are well below parity. They had anticipated the president might call for freezing of prices but instead his speech was interpreted as an indication that the administration hopes to check price rises at around parity. This was coupled with talk that a move might be made to place a floor under prices designed to stabilize them around parity. This, traders said, would be bullish with grains around present levels.
