

If You Live In a Defense Home Here Is the Answer to Your Baking Problem!

NESCO ROASTERS

\$29.95

and \$34.95

- In White Porcelain Enamel With Chrome Lid
- Fully Automatic With Thermostat Control
- Cooks a Whole Meal at Once
- Bakes Pies, Cakes or Pastry Perfectly
- Inexpensive, Durable, Economical to Use
- Uses Alternating Current, Needs No Special Insulation
- Can Be Carried Anywhere Without Effort

Every home where baking or cooking is a problem will be glad to know that Nesco has designed and produced a roaster that actually takes the place of a stove with oven. You can cook perfect roasts, pastry or any food you wish in this fine durable thermostatically controlled oven. Designed with a deep cooking well; two deep pans are included with this roaster and you can cook a meal in one simply by putting roasts in the cook a meal all in one. You will be delighted at the ease with which this fine roaster performs a perfect cooking job. It is really the solution to your problem. Buy now. Stocks are rapidly selling out.

Add Storage Space to Your Home

StorMaster Portable Closet

\$3.49

If you have limited space and need more room for storing you will find the simplest and easiest way to solve this problem is to get several of these StorMaster Closets. Made of non-critical materials, 3-ply 7 kraft board walls and wood frame. Strong, sturdily constructed, built for large storage space. You will want several of these for your home.

Fresh Air Without Drafts or Loss of Heat

Shoemaker Window Ventilators

6" Depth **49c**

All you have to do to install these ventilators is to raise the window, set the ventilator in the frame and lower the window to the top of the ventilator. No cutting and nothing to install. Fresh air comes in the slanted slots but you lose no heat. Helps to keep homes regulated in temperature.
