**New All Glass Fry Pan, 9 inch size, \$1.49**  
No smoke when you use this to fry in. The leader for modern stove wear.

Delicious appetizing food that can be served directly from the stove or oven in the pans it is cooked in. Sounds unbelievable but it's true for Range Tee provides the clear fine utensils that help to conserve heat and reduce the possibilities of overcooked food. Here is the modern way to serve and cook food. Glass pots and pans that give you the maximum in wear and service yet are light and easy to use, easy to clean and so very attractive. Inexpensive too for any size family. Your savings on food alone when you cook in these glass dishes will more than repay you for the cost. Start your set now! Guaranteed one year against heat breakage.
