Councilmen Report; **Investigate Army** Rent Problems

MONMOUTH - Local city authorities at the January council hibiting young people under 18 years of age to be on the streets after 10 p.m. The new police officer, Richard Layton, has orders to arrest those not complying with the ordinance and hold NORTH HOWELL—The master rdinance is being observed.

son were named a council com- tion the members voted to employ mittee to take charge of water regulations, with Mayor Bower- night. sox as exofficio chairman. Customers for water will be grouped ments as such as individual units. be made into wood.

A special committee appointment was authorized to investigate local rental problems both from the viewpoint of the landlord and the tenant. There is probability of a government regulated rental area being declared here.

The fire department recommended that new chemical materials used for fire fighting, which do not deteriorate with age, be utilized.

The street council committee named N. A. Nelson, A. F. Huber; fire and police committee: J. C. Wilson, N. A. Nelson; electric and wilson, N. A. Nelson; electric and building permits: all council mem-

City finances are in good condition with a balance of \$2835.28; Club Speakers in electric fund; \$4468.90. Local residents have enjoyed the lowest electric rates in history in the past six months. With refunding of electric light and power bonds payable from 1944 to national league, will be guest 1951; and of bonds payable from 1951 to 1961, a saving of\$500 in annual interst charges is now being effected, which will total \$4000 during life of the bonds.
