Oliver Heads Polk Red Cross Drive to Start

DALLAS — The board of directors of the Polk county Red Cross chapter selected A. V. Oliver of Rickrealt as general chairman for the combined war fund and roll call drive of the American Red Cross at a meeting held Monday night in Dallas with Dr. A. B. Starbuck, chapter president. Andrew Campbell of Perrydale and W. Frank Crawford of Zena were named to work with Mr. Oliver in organizing the county for the drive which is scheduled to start March 1.

This year every person contributing \$1 or more to Red Cross will receive a membership. The goal for the county is approximately \$10,000 which compares with \$7500 raised last year in separate roll call and war fund campaigns. The general demands of the American Red Cross have increased rapidly within the period with American forces scattered over the entire world and with fighting in progress on many fronts and certainty of rapidly mounting casualty lists by spring.

The campaign committee will visit all parts of the county prior to March 1, selecting working groups to canvass all homes and setting approximate quotas for each community. It is planned to secure enough workers to make individual districts small for rapid work when the drive starts. No difficulty is anticipated in reaching the 1943 goals.
