RATION BUDGET FORM

HELP YOUR GROCER! Never before in his history has your grecer

been faced with so many problems! He is handicapped by the scarcity of labor,

food shortages and the additional bookkeeping that accompanies point-rationing.

And his job on the home-front is vital to Victory! He deserves all the help you can

give him. Be cooperative—be informed, patient and understanding. You'll be helping

yourself as well as your grocer!

Each time before you do your shopping, acquaint yourself with ration-point listings in your local paper or at your grocer's. Then figure out the foods you will need by planning your menus a week in advance. Fill in the size of the tin and the number of points on this form adding any unlisted products, for which blanks have been provided. Be sure to total the points before you go to the store. You'll save time and trouble-speed up service-avoid the danger of running out of points.
