INDEPENDENCE - Dr. Don-ald J. Bourg, medical director, Buena Vista ald J. Bourg, medical directions Miss Gertrude Lee, supervising nurse for Benton and Polk ccun-Dike, county public health nurse for this section of Polk county, will be at the Independence Training school all day Saturday, March 13, to conduct the analso be here again March 27, to continue the examinations of children in the community who have moved to West Salem. Mr. will be entering first grade in September.

Miss Gallagher will take appointments for these examinations before March 13. Mothers must be present at the examination.

Miss Dora Gallagher, chairman of the PTA summer round-up committee, will be in general charge of arrangements for these two examinations. This committee will also be making a survey of the community to make a record of all children from birth to school age., The PTA committee in conjunction with the health department is making this survey with plans for future well baby conferences. The PTA and the Polk county health department hope that if these conferences are established in the near future, every mother with children under the age of six will avail herself of this health service.

On Thursday of last week, Dr. Bourg, Miss Lee and Miss Dike conducted physical examinations for the first grade children and others in the family who had been scheduled for examination.

Thirty-eight children were examined with mothers present. Problems and defects were pointed out to the mothers by Dr. Bourg and these were referred to the family physician, where treatment was found necessary. Nutritional pamphlets were distributed and counseling on all problems was given by Dr. Bourg
