'Hard Way' At Elsinore

Ida Lupino Co-Starred With Joan Leslie, Morgan, Carson

A powerful story of a woman's misguided devotion for her young sister is portrayed in Warner Bros' moving drama, "The Hard Way," now showing at the Elsinore theatre.

The story deals with Helen Chernen, a woman with great innate potentialities who is forced by unfortunate circumstances to remain in a grimy, sordid town where everything is touched with the gray dust of the coal mines.

Disgusted and embittered with her miserable lot, she is determined that her lovely young sister shall fare better.

Ida Lupino is superb as Helen Chernen.

Joan Leslie gives a moving performance as young, unspoiled Katherine, eager for life. Dennis Morgan as Collins, cynical, ever aware of Helen's purpose—yet fascinated in spite of himself, and Jack Carson as simple, home-loving Albert Runkel who should have been a farmer, yet forced by a queer sort of fate to be in show business, give memorable performances. An able supporting cast features Gladys George, Faye Emerson, John Cavanaugh and many others.

Also on the same program "At the Front" photographed in technicolor.

Dairy Group Names Vickers West Field Man

C. N. Vickers, Colorado Springs, Colo., has been appointed western field man for the Holstein-Friesian association of America. He will supervise Holstein activities in Washington, Oregon, Arizona, California, Nevada, Utah, Idaho and parts of Wyoming and Montana. He fills the vacancy recently left when Ivan Loughery resigned to become associated with Carnation Milk Farms of Seattle, Wash.

For the last seven years Mr. Vickers has been county agent in El Paso county, Colorado. In addition to the usual duties of a county agent, he has been particularly active in work with the dairy herd improvement associations in his territory, which is one of the most intensely populated Holstein sections of the mountain states. For the last seven years he has been secretary of the Pikes Peak Herd Improvement association, one of the state's largest and most active associations. He has done much to arouse interest in breed improvement by encouraging participation of breeders in the type classification program sponsored by the national Holstein association. He has been active in the Holstein divisions of numerous shows and fairs. Work with junior dairy breeders has also been among his interests.

Mr. Vickers is a native of New Mexico, Raton being his birthplace. Following his graduation from Colorado State college at Fort Collins, Colo., he taught vocational agriculture at La Porte, Colo. He left this position to become a practical farmer, and for a number of years he farmed his own 400-acre ranch located near Lamar, Colo. He is married and has one son.

He and his family expect to locate near Portland, Ore. He will officially start work as western fieldman on April 15.

Hedy Lamarr and Walter Pidgeon provide a dynamic combination in "White Cargo," film version of this famous stage play, now showing at the Capitol theatre with Miss Lamarr as the glamorous Tondelayo, native charmer, and Pidgeon as the two-fisted driving rubber plantation supervisor Witzel.

Action is laid in a steaming rubber jungle. As the story opens Bramwell Fletcher, playing Pidgeon's assistant, has been driven almost insane by the jungle, and leaves on the river boat which brings Richard Carlson in to replace him. Later she fascinates him, which precipitates a tense dramatic situation ending in his fiery sweetheart's attempt to poison him.
