The OREGON STATESMAN, Salem, Oregon, Saturday Morning, April 3, 1943

Market Steady **Under Selling**

Setbacks Reduced; . **AP Average Takes** Slight Reverse

NEW YORK, April 2-(P)-The long expected technical correction came to the stock market Friday but it was relatively mild and scattered rails, industrials and utilities managed to contest profit selling with a fair amount of suc-

The list was hesitant from the start and at the close, while extreme setbacks were reduced, declines of fractions to a point or more were well in the majority. It was the first average drop in ten successive sessions in which prices generally had mounted to highest levels for three to six

The Associated Press 60-stock composite was off .2 of a point at 49. It was another broad market, 953 individual issues being traded. Of these 475 were lower, 268 higher, and 210 unchanged. Transfers totaled 1,659,140 shares against 1,741,960 Thursday.

Sale of a stock exchange seat for \$44,000 up \$6000, at the best figure since May 10, 1940, was taken as an indicator that the commission house element was far from downcast.

Prominent losers included US Steel, Bethlehem, Chrysler, General Motors, Santa Fe, NY Central, Southern Pacific, J. I. Case, United Aircraft, Kennecott, American Smelting, Consolidated Edison, Oliver Farm, Westinghouse, American Can, Du Pont, Boeing and Sears Roebuck.

Commodities slipped without developing particular weakness when the president vetoed the Bankhead bill.

Presbyterians Budget \$2440

DALLAS-Yearly reports and election of officers were some of the matters taken up at the annual congregational meeting of the First Presbyterian church, Thursday night at the chamber of commerce.

Elected to the session for three year terms were L. W. Plummer and H. M. Webb. Deacons for the same term Mrs. W. L. Pemberton and H. B. Cornell; super-Whitten; assistant, Donald Gabbert; secretary, Mrs. C. J. Enstad. At the meeting of the corporation, the budget of \$2440 was

ees for three year terms; H. M.

budget over the top and not all Cheese — selling price to Portland the pledges in as yet the pledges in as yet.

Polk Wins Flag In Salvage Drive

DALLAS - Rodney Finney, executive secretary of the state of Oregon salvage committee spoke at the weekly luncheon of the chamber of commerce Friday. At that time Mr. Finney officially presented a pennant to Mrs. J. A. Inglis, county salvage chairman, in recognization of the work done by Mrs. Inglis and her co-workers in putting Polk county over the top in the salvage drive conducted a few months ago.

Mrs. Inglis will present the pennant to the county court; the banner will be flown from the flagpole in front of the courthouse as a reminder to passersby that salvage is needed to help win this war.

MEN now have eliminated th "Public Enemy No. 1" from the list of succe riminals that started with Jo ed by FBI agents at a tourist camp he operated near Mobile, Ala. He is charged with partici-pation in a \$26,000 holdup of two hank employes in Salem, O., on BOSTON, April 2 (AP)—(USDA)—Nov. 4, 1935. (International) Sales of contracted territory weel in

Stayton Women Finish Red Cross Sewing; 268 Garments Made

STAYTON-A total of 268 garments have been completed for the Stayton Red Cross sewing project in Stayton and have been sent in finished, according to Mrs. Clara Lau, chairman. The articles made were mostly garments for women and children. A new project which comprises men's garments is on hand ready for dis-

Organizations doing sewing were the American Legion auxiliary, women of the Baptist church, Catholic Daughters, Church of Christ, Eastern Star lodge, Garden club, Kingston Community club, Methodist church, Rebekah lodge, (Stayton) Women's Community club and the Lady Forest-

Wettest Since 1928

DALLAS-The wettest March since 1928 closed with 2.30 inches of moisture for the 24 hours preceding Wednesday morning. The rainfall for the month was 8.79 inches almost double the normal rain fall. March of 25 years ago had 4.46 inches.

> FRED MEYER EGG DEPOT

By Quinn Hall Bankhead Veto Reider Advises Causes Small Grain Drop

prices weakened Friday in response to a presidential veto of the Bankhead bill, but extreme losses of about a cent in wheat were reduced in later trading orders for new repair parts they when news of the veto failed to create much selling pressure. Oats and rye were down with wheat while corn held at ceilings, Although grains had advanced yesterday on unconfirmed rumors that the Bankhead bill would receive presidential veto,

great surprise. At the close wheat was 1/4-1/2 ower, May \$1.45 %-1/4; July \$1.45 %; corn remained unchanged at ceilings, May \$1.01, Oats dropped %-1/2 and rye was off 1/2-34.

With prices depending upon Washington developments, traders did not pay a great deal of attention to crop reports. However, they were less favorable and one crop expert predicted a winter wheat production of 612,-731,000 bushels compared with 703.253,000 bushels last year. Earlier in the season the government anticipated a production of 625,000,000 bushels.

Accepts Teaching Job

Truck Owners To Repair Early

All Marion county truck owners CHICAGO, April 2-(P)-Grain are being urged by the Marion county farm transportation committee to at once take measures to overhaul their trucks and place need before the heavy harvest season arrives, according to Robert E. Rieder, secretary of the committee

Many truck owners already have found that they have had to experience considerable delay in obtaining necessary repair parts actual news of the veto was not and it is not likely that the situation will become any better with respect to parts for repair of trucks now in operation on farms, or for repair shops to obtain additional mechanics. If farm trucks are to be kept in operation during the rush harvest season, when a slight delay would be very critical, truck owners should at once overhaul their trucks and replace parts which are worn which might likely cause them

Restrictions Off On Wire Fencing

M. Clifford Townsend, director of the food production administration, has just informed the Marion county farm machinery rationing committee that the restrictions have been removed for the purchase of all farm fencing, according to W. M. Tate, chairman of the farm machinery rationing committee.

The new order releases for farmers use, without purchase certificates which formerly had to be obtained from the rationing committee, all farm fencing including barbed wire, poultry netting, weven wire, and welded wire fencing.

It is no longer necessary for farmers to obtain purchase certificates through the county agent's office as has been the case in the past and dealers can sell to farmers unlimited amounts of the wire fencing re-
