Pedestrian Deaths To Be Cut Down

SILVERTON—Pedestrian safety will be emphasized this year in Oregon's safety program according to Sidney King, director of the state traffic division, who spoke at the Silverton safety council Thursday night. Lester Standard, president, presided.

Pedestrian fatalities are 55 percent of all traffic fatalities at present, according to King, and the average age of pedestrian fatality had dropped from 70 years to between 55 and 60. This, he pointed out, would include the men and women engaged in war work factories.

"The country can no more afford to lose men and women on the industrial front than on the battle front," King stated.

Charles F. Bollinger, field representative from the state traffic office, was also in attendance. The two men showed pictures of work of the traffic division, with the junior police court as special guests.

Mt. Angel Children Study Long Hours To Harvest Berries

MT. ANGEL—St. Mary's school at Mt. Angel hopes to close school a week earlier than the schedule closing by means of adding extra classes to the daily routine. Eighth grade graduation exercises originally were set for June 4. Now they are set tentatively for May 28, possibly even on May 26. The closing is somewhat later than former years because of the late start last fall, occasioned by the need of the children in the hop fields.

Beginning with this last week, classes opened at 8:30 a.m. instead of 9 o'clock. Another half hour was added in the afternoon when the gong sounded at 12:30 instead of the former 1 p.m.

The heavier class schedule is harder on the children, but it was thought advisable by the school board since the saving of the strawberry crop might make it necessary for the youngsters to stay out of school.

3 Teachers Resign

STAYTON—The board of school district 77 Wednesday night accepted the resignation of three teachers from the high school, Supt. Harold Regier, Mrs. Edith Ingold and Miss Dorothy Clark. Of last year's high school staff, only two now remain.
