Members Consider Plan for Baseball in Grade Schools

MT. ANGEL — The Business Men's club heard the whys and wherefores of the bond drive and a thorough explanation of the various types of bonds from Alois Keber at the bi-weekly luncheon at the Mt. Angel hotel Tuesday noon.

Keber said that six committee members each would be appointed by the Knights of Columbus, Catholic Daughters, Foresters, and Business Men's club. These committees will meet this week to map out a plan of campaign. The president appointed Douglas Harris, G. D. Ebner, John T. Bauman, Peter Gores, Louis LeDoux and Frank Hettwer to represent the Business Men.

Paul Reiling, Mt. Angel college coach, sought to interest the club in a baseball project for the grade school. His plan is to begin the training with the sixth, seventh and eighth grade boys, using the same system practiced in high school and college. This would make for good basic training as well as character building. The system is studied from a text book. Reiling wished the club, in conjunction with several other local societies, to donate 15 books to St. Mary's grade school. E. B. Stolle and Louis LeDoux were named on a committee to confer with the other organizations.

Otto Oswald reported that Dr. A. F. E. Schierbaum had been taken to the Salem General hospital with pneumonia and was in a very serious condition. A change was expected Wednesday.

John T. Bauman read letters from James Mott and Charles McNary regarding the Austin-Wadsworth bill. He also started a discussion on the advisability of starting sinking funds for various city projects after the war.

Frank Hettwer and Louis LeDoux were named ticket sellers for next meeting.

The members authorized Mrs. John Beggs, legislative chairman, to write to congressman protesting against the equal rights amendment and women in industry bill.

Miss Anne Erwert and Mrs. Frank Aman were selected as delegates to the state convention in Eugene May 1 and 2. Mrs. Louis LeDoux was named alternate.

The war bond solicitors appointed are Mrs. A. J. Butsch, Mrs. Frank Aman, Mrs. Louis LeDoux, Mrs. Christine Kronberg, Mrs. Alois Keber and Mrs. John Diehl. THE 2nd WAR LOAN DRIVE IS ON!

Are you a Part-time American?

IT ISN'T HARD to figure your percentage as an American. Just check what you are doing against what you could do if you gave every minute of your day, every ounce of your energy . . . and, yes, every drop of your blood . . . toward winning this war.

Many men and many women have made that supreme contribution. Many more will make it—working, fighting, and dying—for American victory and American freedom. For the fight ahead is a hard one. We are just at its beginning, not at its middle, or near its end.

Of course, not all of us are—not all of us can be—in this fight with our lives. But every one of us, every man and woman, can be in it with our dollars!

Why a lot more money is needed NOW

With every foot of ground taken . . . with every naval task carried out . . . with every bombing mission against the enemy . . . the costs of war increase.

This takes money. More money and still more money. That's why the Government of the United States is asking us to lend it 13

billion dollars in the next few weeks. Asking us to invest over and above our regular War Bond buying. And make no mistake about this Uncle Sam's got to get that extra money to keep on fighting this war!

How to invest your share

Some time soon, you may be called on by a War Loan Drive volunteer. But don't wait for him. Decide now to dig down—dig down deep. Then take every penny you can and go to your nearest bank or post office and turn the money into War Bonds.

Sure, it may hurt. But a lot of clean-cut young fellows in uniform are going to be hurt a lot worse than you are before this war is won. And don't ever forget this!

You're not giving your dollars—you're lending them. Your money's going to come back to you—and bring more money with it. Money that can mean plenty of peacetime jobs and peacetime goods for you and yours.

So don't wait. For your Country's sake—for your own sake—invest all you can!

THEY GIVE THEIR LIVES... YOU LEND YOUR MONEY!
