

### Oregon State Legislative Costs Told

Compiling the final calendar of the 1943 legislature, which will be completed Monday night just within the deadline of 40 days allowed by a joint resolution of the senate and house of representatives, will cost the taxpayers of Oregon approximately \$5348.

Charges against the house for this work total \$3068 and the senate \$2280. The larger house cost is due to the employment of two of its members in addition to the regular desk clerks. These house members were Representatives John Steelhammer and H. R. Jones, both of Marion county. Jones compensation covered 19 days.

Senate costs for completing the final calendar: Zylpha Burns, Portland, chief clerk, \$12 a day, \$480; Elizabeth Glatt, Woodburn, assistant chief clerk, \$9 a day, \$360; Pearl Schaffer, Portland, calendar clerk, \$9 a day, \$360; Elbert Bede, Portland, reading clerk, \$360; Carolyn Porter, secretary to chief clerk, \$6 a day, \$240, and W. H. Steiwer, president of the senate, \$12 a day, \$480. Total \$2280.

House costs: Fred Drager, Salem, chief clerk, \$12 a day, \$480; Patricia Sylvers, Eugene, assistant chief clerk, \$9 a day, \$360; Edith Bynon Low, Salem, calendar clerk, \$9 a day, \$360; Richard Wilson, Polk county, reading clerk, \$9 a day, \$360; William McAllister, Medford, house speaker, \$12 a day, \$480; Representative John Steelhammer, Salem, \$12 a day, \$480; Representative H. R. Jones, Salem, \$12 a day, \$480, and Claribel Buff, secretary to the chief clerk, \$320. Total \$3068.

Total costs of the 1943 legislative session probably will not be announced for two or three weeks as a number of claims have not yet been received and audited.

FORMER—18 inside . . . 5 Mrs. P. H. Raymond, former resident and active in club work in Salem for many years, was buried at San Francisco Thursday, according to word received by Mrs. Charles Weller, 150 West Luther street. She died in the southern city Monday.

Mr. Raymond, who died several years ago, at one time worked in the Salem postoffice and later served as bailiff for the Oregon state supreme court. During his residence here he was an elder of the First Presbyterian church. He and Mrs. Raymond moved to California several years ago.

### WU Election Vote Revealed

Results of the Willamette university election held Thursday made John Macy, now junior class president, student body president elect after a quiet campaign in which Macy was opposed by Mark Hatfield and Hollis Huston. New first vice president will be Sybil Spears, a member of Beta Chi sorority, who triumphed over Dorothy Estes. Don Barnick gained a majority over Lawrence Willis, who was nominated from the floor at the student body meeting last week. Only undecided issue of the election was the post of secretary, for which neither Darlene Dickson, Phyllis Gueffroy, nor Susanna Schram gained a majority vote. A re-vote next week will give student body members a chance to decide between the two highest ranking candidates, Miss Dickson and Miss Gueffroy.

Nadene Mathews, Wallulah editor this year, became Collegian editor for 1943-1944 when no opposition to her election was expressed in the poll cast Thursday. Although Jack Glasse was elected new Wallulah editor, he immediately asked permission to resign in favor of his opponent, Margaret Pemberton. The office of publications manager will be filled by a student council appointment because no eligible candidate was selected by the publications board. John Macy, a Salem resident who belongs to the Alpha Psi Delta fraternity, led his nearest opponent, Mark Hatfield, by 53 votes. Total of persons voting was 329. Macy is a track letterman with a long record of school activities. Greatest margin in any part of the election was the majority of 71 gained by Sybil Spears. Don Barnick, also an Alpha Psi, led Lawrence Willis by 48 votes as he became second vice-president and director of elections.

### 182 Drivers Lose License

A total of 182 motor vehicle operators were deprived of their drivers' licenses through suspension or revocation, following court convictions during March, Secretary of State Robert S. Farrell, Jr., reported Thursday.

There were 98 revocations, most of which resulted from convictions on charges of driving while intoxicated.

### Now Many Wear FALSE TEETH

FASTREX, a pleasant alkaline (non-acid) powder, holds false teeth more firmly. To get and talk in more comfort, just sprinkle a little FASTREX on your plates. No gummy, gummy, sticky taste or feeling. Checks white color. Identical to natural. Get FASTREX today.

### Credit Executive Plans Address At Local Meet

L. S. Crowder, general manager of the National Retail Credit association, with offices in St. Louis, Mo., will be guest speaker at the Friday noon meeting of the Salem Retail Credit association in the Golden Pheasant, April 16th. Mr. Crowder is the managing head of the largest trade association specializing in credit in the United States, the National Retail Credit association having 25,000 regular members and 200,000 associate members. He will speak on the future of retail credit under war time controls.

Since there will be no convention of the national association this year, Mr. Crowder is attending the district conferences of the credit grantors throughout the United States. He is coming to the northwest conference to be held at Spokane, April 19th and 20th and just recently attended the Dixie district conference in Alabama.

### Habitual Criminal Trial Opens

Despite entry of a series of eight objections as to the constitutionality of the law involved and the methods of procedure, Marion county's first trial under the state's habitual offender's act opened before a jury in Circuit Judge George Duncan's court Thursday and continues there today.

Elmer Ellsworth Zimmerman, now serving a sentence at the Oregon state penitentiary on a charge of having received stolen property, defendant in the case, allegedly has six times been convicted and sentenced for felonies. The habitual offender's act provides for a life sentence after four such convictions and sentences.

Objections interposed by Ralph Skopil, attorney for Zimmerman, as the trial opened were: (1) the defendant is thus placed in jeopardy twice for the same acts, (2) the conviction would be ex post facto, (3) the defendant has been denied the right to grand jury consideration, an objection earlier overruled when presented in slightly different form prior to the trial date, (4) such action is an attempt to increase the punishment for a crime previously committed, (5) the penalty is not proportionate to the offense, (6) the action attempts to deprive the prisoner of life, liberty and property without due process of law (7) the punishment is not proportionate to the offense or founded on principle of reform, (8) the action is a matter of vindictive justice.

Records were produced as main feature of the prosecution Thursday, with Skopil objecting to introduction of some on the ground they preceded establishment of the habitual offender's act.

### Pair Arrested On Theft Charge

Earl Edgar Mudie, 23, Valsetz, and his father-in-law, William Carpenter, 54, route two, Monmouth, were held Thursday at Corvallis following their arrest Wednesday on a charge of possession of stolen property—an entire household, officers declared. Plumbing was uprooted and tools as well as furnishings taken from the route two, Monmouth, (Airtie district), residence of Delbert L. West sometime in February while West was living in Vanport and working at a defense industry, state officers here said.

Mudie and Carpenter had the goods in their possession, it was alleged. The arrests were made by Deputy Sheriff Tony Neufeldt, Dallas, Deputy C. N. Lilli of Corvallis and state officers. Mudie was to be removed Thursday from Dallas and taken to Corvallis.

### CIO Named for Klamath Falls Firm

WASHINGTON, DC., April 15 (AP)—The national labor relations board Thursday announced certification of the International Woodworkers of America, CIO, as bargaining agent for employees of the Ewanna Box company, Klamath Falls. The CIO had only a two-vote margin.

### KIDNEYS MUST REMOVE EXCESS ACIDS

Help 15 Miles of Kidney Tubes Flush Out Poisonous Waste. If you have an excess of acids in your blood, you are in danger of kidney trouble. These 15 miles of kidney tubes must be kept clean and free of poisonous waste. When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, loss of pep and energy, getting up at night, swelling, puffiness under the eyes, headaches and dizziness. Frequent or constant urination with smarting and burning sometimes shows there is something wrong with your kidneys or bladder. Urinase may help help the same as boys, or ask your doctor for Don's Pills, used successfully for millions for over 40 years. They contain no drugs and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Don's Pills.
