

### Meat, Potatoes In One Dish

Meat and potatoes, that's the old family answer to "what to have for dinner." Here's a recipe that combines them into one dish.

#### MEAT AND POTATOE CROQUETTES

- 1/2 cup ground cooked meat
- 4 cups mashed potatoes
- 1/2 teaspoon salt
- 1/4 teaspoon onion juice
- 2 tablespoons minced parsley
- Fine dry bread crumbs
- 2 eggs
- 4 tablespoons water
- 8 slices bacon

Use left-over meat. Add seasonings to mashed potatoes. Flatten out 4 tablespoons of mixture and place about a teaspoon of the meat in the center. Roll potato around it, shaping rolls like cylinders. Cover meat completely. Beat eggs and combine with water. Roll each cylinder in crumbs, then in egg, then in crumbs. Fry in deep hot fat at 365 degrees about 4 minutes or until brown. Drain on absorbent paper. Serve with crisp bacon slices which have been fried in the same deep hot lard. Serves 8.

### Soft Cookies on Favorite List

For a children's party, you'll find that they will love "ice-cream sandwiches" made of a slice of ice cream between two large soft molasses cookies. Partlyish, and makes a little ice cream go a long way.

File these cookie ideas so that any emergency will find you ready with a "quick as a bunny" idea.

#### SOFT MOLASSES COOKIES

- 1 cup sugar
- 1 cup shortening
- 1 cup molasses
- 2 teaspoons soda
- 2 tablespoons warm water
- 5 to six cups flour
- 1 teaspoon cinnamon
- 1 tablespoon ginger
- 1/2 teaspoon salt

Cream sugar with shortening. Add molasses; then add soda dissolved in warm water. Sift 2 cups flour with remaining dry ingredients and add to first mixture. Add enough more flour to make a stiff dough. Roll out on slightly floured board. Cut in desired shapes and bake 8 to 10 minutes in a moderate oven (350 to 375 degrees).

### Knights Buy \$5350 Bonds 'For Hitler'

SUBLIMITY—The regular meeting of the Sublimity council, Knights of Columbus, was held at Sublimity Tuesday night and as this was the birthday of Hitler, the principal activity was the carrying on of the Knights of Columbus national \$25,000,000 bond drive, which amount was assured President Roosevelt by the supreme officers of the organization a month ago. As a birthday gift to Hitler, the local council subscribed and purchased a \$200 bond, and the individual members attending the meeting signed and pledged the additional purchase of \$5,150 in these bonds during this present drive. The quota for the Oregon Knights of Columbus is \$142,350, and from reports that are being received by the state officers, it will be exceeded. The bond purchases as reported at this meeting only represented approximately one third of the membership, and the officers anticipate that before the close of this drive the local members of the Knights of Columbus will far exceed their quota of \$15,000.

Plans were completed for their third class initiation during the present fiscal year which closes June 30. This initiation will be held in Stayton on Sunday, May 9, and will be termed the "Mother's Day Class" honoring the mothers of the members of the Knights of Columbus of this district and bringing into the organization another group of approximately 25 new members to carry on the work of the organization and assist those members of the local council who are now serving in the armed forces.

The Sublimity Knights of Columbus have 49 of their members serving in the armed forces of the United States. Their large "servicemen's bulletin" is going out to 125 of the men of this locality to all points on the globe. At the meeting held Tuesday, letters from 70 servicemen were read showing their appreciation for the work of the local members. During the past month 12 more of the members submitted to blood-typing in connection with the present war emergency. There are now 90 members in the blood donor's group.

State Deputy Otto Smith of Klamath Falls, and other state officers of the Knights of Columbus assured the local knights that they would be present on May 9 to witness the conferring of the degrees

of this third class of candidates within a year. The program of the day will commence with the reception of holy communion by members of the Knights of Columbus and their candidates at the Stayton Catholic church, at which time, also the Catholic Daughters of America will receive communion in a body, in connection with the national program of the Catholic Daughters, as all of their members during the month of May participate in this reception. The degrees proper will commence at the Stayton Forester hall at 12:30 o'clock and will continue throughout the afternoon. At night refreshments will be served. On the following meeting night of the order at Sublimity, May 18, their usual "after-degree" smoker will be held, at which time candidates will attend their first regular meeting.
