There is one stark and simple fact about war which you had better get straight . . . and quickly, too
THERE IS NO SECOND PLACE IN A WAR—IT'S EITHER WIN OR LOSE!

This war is being fought for tremendous stakes . . .

... for your life and your liberty.

... for your church and your children.

... for your freedom and your future.

And it's **WINNER TAKE ALL**. Don't forget that for a minute.

The winner will dictate whether tomorrow you shall be a free citizen of a free world, or a helpless serf to a "master race."

The winner will dictate whether you shall live and prosper under the Four Freedoms, or toil hopelessly in the darkness of a "New Order."

The winner will dictate . . . because the winner takes all.

The winner takes all. All you own, all you hold dear.

The winner is being decided right now . . . today . . . this very minute . . . on battlefields all over the world. Will you stand idly by . . . or throw all your weight on *our* side?

The weight of mighty tanks and planes. The weight of thousands of guns and millions of shells. The weight of billions of dollars . . . 13 billions which your country asks you to lend during this Drive.

Your country wants to borrow every idle dollar you have—every dollar except what you need for the barest necessities of life.

You'll have to give up some luxury or comfort which was dear to your heart. You'll have to postpone some pleasure which you had been eagerly anticipating.

But what of it?

Your sons and brothers and husbands are *dying* out there . . . fighting your fight. Surely it is no sacrifice to *lend your dollars* while they are giving their lives.

They need your help. They need the weapons your money can buy. If one of the War Loan volunteers calls on you . . . greet him with open pocketbook. Remember, Uncle Sam's goal is 13 billion dollars in April.

Don't wait to be asked. Go to your nearest bank, investment dealer, broker, Post Office or issuing agency and lay your money on the line. Remember, it's an *investment* you're making—an investment that pays a good return and insures a happier future for you and your loved ones.

So *lend* up to the limit.

You'll sleep better for it.
