By Quinn Hall Grain Prices Are Eased Off

CHICAGO, May 5 -(AP)- Grain prices eased under moderate pressure Wednesday, paced by an early downturn in oats. Although some of the oats loss was subsequently recovered the market exhibited a nervous undertone.

At the close Wheat was unchanged to 1/4 lower; May \$1.45%; July \$1.44 %-14; corn was unchanged at ceilings, May \$1.05; oats were unchanged at 1/4 lower and rye lost %-%.

Arrival of 302,000 bushels of Canadian No. 2 extra heavy white oats here and reports that several more vessels were on their way to Chicago with Canadian grain weakened oats. However, there was much uncertainty about the amount of such grain that eventually can be transported by lake because of the need for vessels to carry ore.
