New Investment "Strictly Private" **Demand Scores**

Peace Category Has Heavy Buying in Strong Session

NEW YORK, June 1-(AP)- Selective investment demand persisted in Tuesday's stock market. especially for issues in the peace category, but many steels, rails, aircrafts and others with an armament rating were neglected.

Motors, oils, tobaccos and assorted blue chips rose fractions to 2 or more points, many to new highs for 1 to 3 years, after a hesitant start. While losers were numerous at the close, plus marks were in the majority.

The Associated Press average of 60 stocks finished with a net gain of .1 of a point at 52.1, best level since Jan. 3, 1940. Of 900 individual issues traded, 371 were up, 305 down and 224 unchanged. There was a revival in low-priced utilities at the last and large blocks of these helped put the day's volume at 1,259,600 shares against 1,047,729 last Friday.

Chicago Great Western preferred joined the "new high" class with an advance of 1/2 at 201/8 when directors voted a dividend of \$1.25 on this stock compared with 6214 cents paid in March.

Others at peaks for the year or longer included General Motors, Chrysler, American Telephone, Columbia Gas, Goodrich, Texas Co., R-K-O, Reynolds Tobacco, "BNZ American Tobacco "?," Philip Morris, Johns-Manville, Du Pont and Westinghouse. In front were Commonwealth & Southern International Harvester, Standard Oil (NJ), Ligget & Myers "?", Libby McNeil, Dow Chemical and Wilson Co.
