Dodgers Strike Against Leo, Then Annihilate Bucs, 23-6

BROOKLYN, July 10.—(AP)—The Dodgers staged a strike Saturday against Manager Leo Durocher's suspension of Pitcher Bobo Newsom, but after a personal appeal by the Brooklyn manager, took the field 10 minutes late and walloped the Pittsburgh Pirates, 23 to 6, with a 20-hit spree.

In a press conference, held after the game, Durocher explained that he had suspended the explosive pitching star for "insubordination" and that the "players have forgotten all about" their brief revolt, unique in Ebbets Field history. "Newsom was always questioning my judgment in clubhouse meetings before each game," Durocher continued. "We never agreed on how to pitch to certain batters. There was always a clash of ideas."

The pre-game flareup resulted when Third Baseman Arkie Vaughan declared Newsom's suspension was unjust. "The first I knew about it," Durocher explained, "was when Vaughan handed me his uniform."

When game time arrived only the starting battery, Curt Davis and Bobby Bragan, were on the diamond. Ten minutes later all the Brooklyn team, with the exception of Vaughan, put in an appearance.

During the first inning Vaughan sat with Newsom in grandstand seats near the Brooklyn bull pen in right field. During the course of the game in which the Dodgers scored 10 runs in the first inning and 10 more in the fourth, Vaughan was called into conference with Branch Rickey, president of the club. Following the meeting he returned to the clubhouse, put on his uniform and appeared on the Brooklyn bench. He was not suspended.

While Durocher declined to answer a direct question on the matter, sources who asked that their names be withheld, said that Newsom disregarded Durocher's instructions on how to pitch to certain Pittsburgh batters in Friday's game, won by the Dodgers, 8 to 7.

Okies to Stick Strictly With The Plain Stuff Next Season

NORMAN, Okla., July 9.—(AP)—Coach Dewey Luster of Oklahoma—with all his young football wizards gone—has junked the magic of razzle-dazzle for the duration in favor of something orthodox and simpler.

"We will do most of our running from the single wing," said Luster, who paused from OU's first summer workout to doubt if there would be much hipper-dipper stuff in college football anywhere next fall.

His statement came after looking over 60 light, fast and green footballers—most of them naval cadets—who must replace in the autumn the varsity that long since has gone off to war. "Of course," he added, "We

Thumbs Up 1st In Butler 'Cap

NEW YORK, July 10.—(AP)—For the second time in six weeks, the movie Saturday wrote the plot for one of the east's fanciest racing productions.

Back on Decoration day, it was Bing Crosby's outsider, Don Blase, who came along to grab the super-duper suburban handicap at Belmont. Saturday, Louis R. Mayer shipped in his Thumbs Up, a royally bred son of Ebenheim II and grandson of Man O'War, from Chicago, and the 10 to 1 shot not only bounced in with the Butler handicap, but leaped a full second off the Jamaica track record in running the mile and 3/16 in 1:56 1/5.

William Woodward's Weary Apache was second, four lengths back. The winner collected \$23,000 for the victory.

Garrison and Ramirez Taper For Monday Go

15-Rounder All Set; Kahut Battles Otto

The winner is slated to meet Henry Armstrong, former holder of three world's boxing titles, here August 9.

Fight experts Saturday said Monday's fight looms as a toss-up. Garrison holds two decisions over Ramirez, while the 22-year-old Mexican welterweight holds a decision and a technical knockout over Jimmy.

Joe Kahut, rugged Woodburn farmer, will meet Young Otto, former Illinois Golden Gloves champion now working in a Portland shipyard, in a 10-round semi-wind-up. Mickey Pease and Mel Roberts will go six rounds, and Jack Biddle, Seattle, and Zeb Smith four rounds.

Fluid Milk Producers' Strike Looms

REDMOND, July 10.—(AP)—Fluid milk producers and distributors of Deschutes, Crook and Jefferson counties claimed 100 per cent agreement Friday to discontinue milk deliveries August 1 unless the OPA boosts prices.

The producers want \$1 per pound butterfat in grade A, 85 cents for grade C milk for pasteurization. The OPA recently fixed the ceiling at 85 cents for grade A in central Oregon, lifting the retail price from 13 to 13 1/2 cents a quart.

Producers claimed the prices were too low for profitable operation.
