Peace Stocks Spark Market

Into New Highs at

tered peace stocks, including rails, did moderately well in Monday's market while many leaders elsewhere were generally unrespon-sive to exceptionally cheering war bulletins.

Assorted favorites edged into new high ground for the move at the start but the majority slipped under the best when the final gong sounded and losers among armament - rated issues. Notably aircrafts, were sidespread. Selling, however, never was urgent and dealings were relatively slow throughout.

battle tidings may have been discounted to some extent by the recent price swing to peak marks in nearly four years. A certain amount of profit cashing, consequently, was viewed as natural and there was lightening of commitments in many instances pending more definite indications of the next trend shift, Investment purchasing continued as an important prop and weakness was a parity.

The Associated Press 60-stock composite was off .1 of a point at 52.9. Breadth was lacking. Of 880 issues traded, 373 were down, 303 up and 203 unchanged. Trans-
