Uncertainty Warps Grains

CHICAGO, July 20 —(AP)—Grain futures fluctuated erratically Tuesday although the volume was lighter than in recent sessions and at the close prices showed only minor changes over the previous close.

A report that the government might subsitute sugar for grain in the manufacture of industrial alcohol attracted some attention at the opening but failed to have much influence as a price factor. Another overnight development, the announcement of a ceiling on live hogs at the $14.75 level, likewise had little effect marketwise.

At the finish wheat was ¼ cent lower to ¼ cent higher than the previous close, July $1.44, September $1.44 ⅜-⅝; rye was ⅛ off to ¼ up, July $1.05 ¾, September $1.05 ⅞; and oats were unchanged to ⅝ down, July 69 ⅛- 69.

Crop comments continued favorable but certain sections of the Canadian northwest were in urgent need of moisture. The Winnipeg market closed weaker due largely to lack of support.

Baby Food Allotment Is Increased

WASHINGTON, July 20 —(AP)—About 7,000,000 additional cases of canned baby foods, condensed milk and other milk products and certain canned vegetables and fruits will become available for civilians under a revision of tin plate quotas announced Monday by the war production board.

The increased packs, however, will be offset by short crops of peaches, apricots, cherries and some other fruits, and will not increase the total 1943 supply of canned goods for civilians.

Goat Breeders Announce Winners at Annual Kid Show

The Oregon Dairy Goat Breeders association held one of its most successful kid shows recently at the Evening Star grange hall grounds. This is an annual event with exhibits from Portland, Gresham, Milwaukie, Clackamas and Cherryville. A part of the exhibit was the showing of seven milking does to display what can be done with the fine kids which are being raised.

The 25 kids were exhibited by their respective owners and judged by Ted Blatter. Although bucks are not shown at the regular fairs, they are displayed at the kid show and several fine ones were brought. Awards in the form of collars, pictures, and feed were made to the winners.

At lunch, portions of goat milk ice cream were passed out.

The next annual event will be a banquet in November. A fine program and social time including a feast of goat products, cheese, meat, milk, cocktails, ice cream, etc., will be served.

A regular meeting will be held each Saturday at the Evening Star grange hall, SE 80th and Division streets, Portland, at 8:30 p. m.

Profit Sales Drop Market

NEW YORK, July 20—(AP)—The lengthy stock market drive ran into fair-sized profit opposition Tuesday and leaders generally gave up fractions to 2 or more points.

The reaction arrived in the face of further cheering war news and was attributed partly to the possiblity recent allied sucesses in Sicily and elsewhere had been discounted to a certain extent by the average rise last week to the highest level since October, 1939.

The Associated Press 60-stock average was off .4 of a point at 52.5, duplicating its drop of last Thursday. Of 917 issues traded, 589 were down, 133 up and 195 unchanged. Transfers totaled 990,930 shares compared with 834,120 Monday.

Bonds trailed stocks to losing territory. At Chicago wheat was off ¼ of a cent a bushel to up as much and hogs 19 cents higher.
