Committee Continues Work on Shaft

WOODBURN—When Johnnie comes marching home he'll find a shaft perpetuating his service if plans continue to progress here for the erection of one on the northeast corner of the library square, the honor roll committee members announced this week.

While a number of gifts have been made toward erection of the shaft, more will be welcomed, as will be suggestions. The committee, anxious to receive any communications about erection of the shaft, have so far been contacted by no one in the community. Members are hoping for a greater show of interest soon.

Plans for the erection of the shaft will move forward as soon as more donations are received, the committee announced.

Berries Nearly Over at Swegle

SWEGLE—The cane berry season on most acreages in this district was just about finished this past week. There are still some boysenberries and a few red raspberries, but pickers in the fields have been dismissed and in some patches one may pick the few left on shares as a clean up.

The season has been a good one in most fields. The Dillion Jones blackcaps were not quite as good as last year. The Leonard Harms red raspberries have been very fine and most small fields were satisfactory.

One owner of a patch of red raspberries was glad to express his appreciation for a good season by furnishing a large crate of red raspberries for breakfast at the service men's center this Sunday morning.

The average price paid to pickers was three and one half cents a pound.

Save on Stockings

BUY ONLY WHAT YOU NEED TAKE CARE OF WHAT YOU HAVE —LUX STOCKINGS NIGHTLY

Yes, stockings are precious these days—choose them carefully to fit your needs—sheer, smooth-fitting rayons for dress-up, slightly sturdier for everyday, or smart cotton meshes for your suits or country clothes. Then give them safe, gentle care for longer wear. We advise Lux.

New! BELLE-SHARMEER HOSE
Including those lovely sheers.

CONSERVATION BOOTH
Miss Knickerbocker Lux Washability Test will be done all night long to help you. She'll give you the right "fit" to start with—hand washability guide, and a complete package of featured lux-socks to a carry home. See the splendid exhibits of correctly washed socks.

TIPS ON CARE FOR LONGER WEAR

1. Wash all types of stockings after every wearing in lukewarm Lux suds. Never use strong soaps or rub with cake-soap.
2. Rinse well, roll in a Turkish towel to remove excess moisture. Unroll at once, and ease to shape. Hang evenly over rod, or hang by garter band.
3. Dry rayons thoroughly before wearing—allow 24 to 48 hours. Never dry stockings on a radiator.

We recommend LUX for hosiery
