What You Buy With WAR BONDS

**Water Camel** Thirst is one enemy of armies

and navies that may be frustrated by a generous supply of water. Ty-phus, another dreaded plague is another enemy that must be subdued in Africa, in the jungle islands of the Pacific. 11 6971

So the "Lister Bag," more of called the "water camel," or just "camel," is used. The "Lister Bag" is a khaki colored canvas bag having a capacity of about 30 gallons. It will require many War Bonds to provide enough "camels" for our fighting forces at home and abroad. Yours tool U. S. Treasury Departs
